PRESIDENT'S REPORT, 1975

The year of 1975 has been most successful for our Club. On the football field three teams made the finals. The Under 10's, Under 14's and the Under 18's.

The Under 10's lost their first semi-final but a great effort to this band of fellows.

The Under 14's played off in the "Grand Final" and produced their best football of the season, however, they were beaten by Bayswater who had not been beaten all year. A fine effort for the boys and the Coach.

The Under 18's won the Premiership and what a magnificent win. So many times our senior teams have made the finals but they have lacked fight and determination. This years Under 18's proved that Coolbinia can produce great footballers, fighting footballers and determined footballers. To the Under 18 players and officials congratulations for a fantastic effort.

A special thanks must go to the players of the Under 12's and Under 16's. Both these teams suffered badly from lack of numbers. However, a big thanks from the Club to the coaches and players for their effort which at times must have been heartbreaking.

On the social side we witnessed a great year. The two Cabarets that were held were most successful financially and socially. Thanks must go to our Secretary Ron Jones for his great organisation of these functions and to the parents for their support.

The Kickathon was financially a success even though the weather could not have been worse.

The Club Picnic was held at our Clubrooms and ground. Again the weather dealt us a great blow. But to those who stuck it out must have enjoyed the "Youngsters" versus the "Oldies" football match. I know the fathers enjoyed playing. Thanks to Peter Woodley and Fred Kirkman and their helpers for a great effort.

The Club financially has never seen a better year. This enabled the Committee to purchase two more pool tables, wall to wall carpet for our rooms and a set of jumpers plus several smaller items required to maintain our Clubrooms. Even after this expenditure the Club will finish with a very healthy bank balance.

Both the football and financial success of the Club must be attributed to the fine support of the parents of the players and hardworking Committee to which I offer my sincere thanks.

On the administration side of the Club things went well and I would now like to thank all of the Committee for their endless support. I must however say a special thank you to our Secretary Ron Jones, to our Treasurer Bob Stewart and our tireless Social worker Peter Woodley. With people like these on the administration side of the club success is inevitable.

I would like to thank the East Perth Junior Council for their efforts this year. I feel a special thanks should go to Mr. Pat O'Mara, Secretary for Junior Council. Pat had the unenviable task of filling the shoes of the great Lisle Bremner. Pat I hope will carry on and I am sure that this first year will stand him in good stead for many years. Also a big thanks to Mr. Jack Clayton, President of the Council and the other Executive Members. Last but not least there is the rank and file of the Council which is made up from the delegate of each of the 10 Clubs in East Perth District. To these gentlemen I thank you for the opportunity of having served with you at Council meetings.

PRESIDENT'S REPORT CONT.....

In conclusion I would like to officially state that 1975 is my last year as an active member of C.Y.J.F.C. For the last eleven years I have been with Coolbinia I have enjoyed many hours of great comradeship with the supporters of this Club. What a great note to go out on, a magnificent Premiership for the Under 18's. As Trevor Sheard would say "Fantastic"

F.D. HOLT
President.

SECRETARY'S REPORT, 1975

Well, the time has come once again, and how can one say any more than what a tremendous year the Club has again achieved. Compilation of the information formulated in this report has again needed considerable research, and this year for the first time may I personally thank Mr. Fred Holt our President and Mr. Norm Tidy our Registrar for their assistance.

This year saw the Club increase our playing strength from four teams to five, of which we made the finals with three. A great effort for our Club. At the time of this publication we are fortunate to have the Under 14's in the Preliminary Final and the Under 18's in the Grand Final. To both of these sides may I say - "Good Luck".

To the Under 10's, who made the 1st Semi-Final in their grade, but beaten however by no means disgraced, may I say congratulations.

Conclusion

The 1975 Season, as the season draws to a close is one which I my self have received a lot of personal satisfaction in seeing the results that have been once again achieved.

It is obvious that for reasons I have not mentioned names of people and players for particular efforts, otherwise, where would one stop. However, to be associated with such a fine group of young players and a conscientious group of officials who have teamed together so well to maintain the traditions and aims of the Coolbinia Yokine Junior Football Club.

RON E. JONES
Secretary.

The Perpetual Trophy is awarded annually to the Outstanding Player of the Season. A replica of the Trophy is provided for the recipient of the Award.

In the early years of the Club, the trophy was presented to the player who was awarded the highest number of Umpires' votes. In recent times the Award has been made to the player who is awarded the highest number of Club Votes.

Three of the Past recipients of the Award have made the League ranks, mainly Paul Cook, John Daniel and Peter Trott (East Perth) and Terry South (East Fremantle).

This year Jon Curtis won the trophy by polling 188 club votes. Jon joined C-Y.J.F.C. and played in the Under 11 years team and won a trophy for the Most Courageous Player of that team. Jon should have a great future in football.

Congratulations, JON CURTIS, the Outstanding Player of the Season

THE TONY ZIMBULIS MEMORIAL TROPHY
(AWARDED ANNUALLY TO THE BEST CLUBMAN)

The Winner for 1975

Mrs. May Woodley

This trophy was first awarded in 1964 in memory of Tony Zimbulis, a great sportsman in our district. His sons have been members of our Club over the past years of which we still have the joy of having the youngest son with us and they have been a credit to us and themselves.

In an endeavour to perpetuate the memory of Tony (Snr), your Club decided to present a trophy each year to the person who, by his enthusiasm and loyalty to our Club, deserved to be thanked in a special way.

Mrs. Woodley, the trophy winner for 1975, has a record of 8 years service with the Club. She is currently the Chairwoman of the Ladies Committee and has been a tireless worker over the years helping to raise funds, organising morning teas on days when matches are played on the home ground, catering for socials, nothing has been too much trouble where there has been an opportunity to help.

Mrs. Woodley - congratulations on being selected as "Best Clubman for 1975".

CLUB PRESENTATIONS

Coaches

Presentations were made by the Club to our five coaches in appreciation of the considerable time and effort they gave to improve the standard of football of our players and teams.

Coaching requires a special dedication to football and the voluntary acceptance of considerable personal inconvenience. We are therefore indebted to each of our coaches for their service to the Club during the 1975 Season.

<i>U/10 Len Makin</i>	<i>U/16 Ray Taylor</i>
<i>U/12 Colin Raven</i>	<i>U/18 Bryan Johnson</i>
<i>U/14 Keith London</i>	

Property Managers

The valuable assistance given to each Team by the Property Managers is recognised by the Club. This sometimes onerous duty, as for example after wet days on muddy grounds, ensures that our teams are adequately provided with the necessary equipment in good condition.

To show our appreciation, presentations were made to the wives of the Property Managers, as we realise that much of the work falls to their lot.

The presentations were made to the following ladies:

<i>U/10 Mrs. Dreven</i>	<i>U/16 Mrs. R. Cantrell</i>
<i>U/12 Mrs. J. Canning</i>	<i>U/18 Mrs. N. Magripilis</i>
<i>U/14 Mrs. K. Andrews</i>	

Our Ladies

We are fortunate in having a willing band of mothers to assist the Club, whenever needed, often un-noticed by many of our Club members.

In particular we are grateful for the refreshments provided at our own ground on playing days, especially the "Soup" on cold days.

To show our appreciation to all of them, a presentation was made to Mrs. May Woodley, the Chairwoman of the Ladies' Committee.

Other Presentations

Presentations were also made to the following, in appreciation of valuable assistance given to the Club.

<u>Con Magripilis</u>	Goal Umpire U/18 side and also "Ground Marker" and Coach's assistant.
<u>Kim Griffiths</u>	Coach's assistant.
<u>Colin Shier</u>	Coach's assistant.
<u>Kevin Andrews</u>	Coach's assistant.

CLUB AWARDS 1975 SEASON

Presentation 100 Games

At the end of each season, the Club makes a presentation to those players who have reached this most important milestone by playing 100 Games for the Club. In any grade of football, this is a notable achievement.

The Coolbinia-Yokine J.F.C. places great emphasis on this Award because it needs dedication on the part of every lad if he is to strive for this goal. Many of the players who receive these presentations may never receive Club trophies but quite often their dedication to the game will result in them attaining greater rewards in Senior Football.

Presentations were made to the following players:

Theron Kirkman

UNDER 10's TEAM COACH REPORT

Early in the season it looked as though we would not have enough boys, however by the time the first match was played we were fortunate enough to have a full team. During the season several other boys joined the Club and by the end of the season we had 25 boys training.

After a promising start to the season we went through a period over the school holidays, when we had several boys away, where we lost 4 games in 6 weeks. These were the only games we lost and we finished fourth on the premiership table.

Our loss in the first semi-final was a most disappointing end to the season not only to myself but to all the boys who tried so hard to bring to the Club their first Under 10 premiership.

TEAM STATISTICS 1975 UNDER 10'S TEAM COACH REPORT CONT.....

I feel that in the Under 10's the Club have many promising players. This should ensure the Club of their share of success as these boys progress through the higher grades.

My sincere thanks go to the other officials of the Under 10's for their support throughout the year and to all the parents who came along every Saturday to encourage their boys.

UNDER 12'S TEAM COACH REPORT

Our Season started off on a bright note with a win against Bayswater in a pre-season match.

Then as the weeks passed it was obvious we were going to have trouble fielding a full team. We did not manage to win a game during the Season but this is difficult if you are only fielding 13 to 16 players each week.

Twice throughout the year we managed to field 18 players.

The boys gave their best each week and the last six games proved to us we had the nucleus of a good team.

Don Kerr and myself made many changes throughout the year trying to gain that little extra from each player - this paid off in most cases.

Many thanks to Don Kerr for his help with the boys, also Reg Wray (Team Manager) they made the job much easier. A special mention to young Ric Kellner, he tried all year, never gave up and attended regular training sessions. Boys, a good example of a team member.

Our reward was the vast improvement of each player and we hope they learnt something about football and team and club spirit. Next year we will be playing in the Grand Final.

UNDER 14'S TEAM COACH REPORT

I would like to take this opportunity to congratulate the Under 14's for having made the 2nd Semi-Final, due mainly to their very fine teamwork displayed throughout the Season.

After having been beaten by Bayswater and Dianella early in the Season I was very pleased to see the wonderful fighting qualities displayed by my boys to bounce back and lose only one more game for the remainder of qualifying rounds.

My congratulations to David Raven and John Motteram, Captain and Vice Captain respectively, for a job well done. Both have been wonderful lads and have given me tremendous support right throughout the Season. To all players of my squad I thank you for being right behind me. No Coach could wish for a finer bunch of lads, always willing to do the right thing for their Club Coolbinia.

It was very sad to lose a player like Butch Jones due to an accident at school, he was playing so well for his team.

My very special thanks to Brian Churchwood, Kevin Andrews, Ron Jones, Ken Washbourne, Mike Magripilis and fathers and mothers for the tremendous amount of support they have given to not only me, but the whole team in general.

In conclusion I would like to thank everyone connected with the Coolbinia Football Club for the many enjoyable hours and friendships that I have made throughout the Season

TEAM STATISTICS 1975 CONT.....

UNDER 16's TEAM COACH REPORT

The Season began with the side having only 14 players available. This was overcome by some of the players scouting around for more boys, and by "borrowing" U/14 players each week.

My sincere thanks to the U/14's, Robert Hocking who played in all games, John Motteram (14 games) and Robert Glass (12 games).

The team won 5 matches, drew 1 match and lost 9 matches which was a little disappointing. During the Season we hit high spots by beating most of the top sides and some low spots by losing some games by large margins.

Congratulations to Terry Cantrell and Phil Devereux for winning Club awards, they deserve the honour. Congratulations also to Kevin Glass and John Challen for their selection in the East Perth U/16 combined side.

My special thanks to Phil Devereux, the team captain for his help and drive during matches and also for training the side on the nights I could not attend.

I would like to thank Ron Devereux, Ron Cantrell, Brian Newton, Jim Washbourne and David Devereux, the team officials, for their help.

As this is my last year as a coach with this Club, I would like to express my thanks to the Committee, parents and players for their help and faith in me since I started coaching in 1968.

Success - the Pennant.

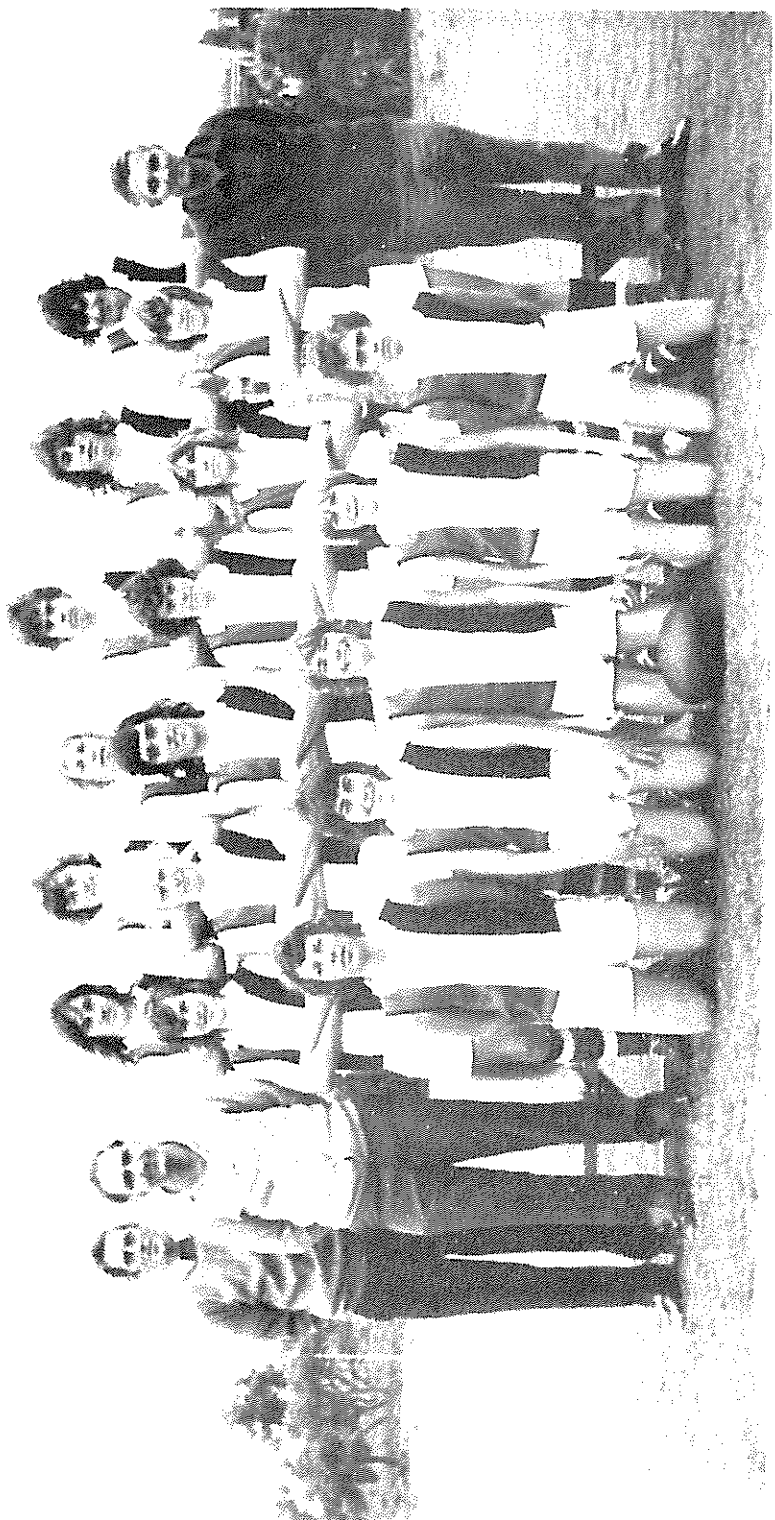

With co-operation, great team spirit and a good brand of team football the team proved that they are the best Under 18 side in the Competition.

Determination and a great will to win paved the way for Victory. It would be unfair to single out any one player during the finals - the victory being a "Great Team Effort".

Throughout the Season, the team has given great support to the Club in social and fund raising activities - the highlight being the participation in the Club cabarets. This support has led to far greater liaison between Committee and players.

Congratulations must go to all trophy winners and in particular to John Tidy and Ken Washbourne for achieving the fairest and best and runner-up awards respectively.

TEAM STATISTICS 1975 UNDER 18'S TEAM COACH REPORT CONT.....

A feature of the team's performance was the evenness of the Club voting proving that we do not have to rely on one or two individuals but play as a team unit.

There have been many people who have assisted me throughout the Season. Special thanks must go to Peter Woodley and Nick Magripilis for their encouragement and hard work during the Season. Colin Shier, Kim Griffiths and Con Magriplis have given me great support both at training and during the matches. My task would have been far more difficult without their co-operation.

In conclusion, I would like to express my appreciation to the players and committee for their 100% co-operation which has made the Season one never to forget.
