PRESIDENT'S REPORT

Dear Members and Players,

Club training started too late this season and by the time match day came around the 15's & 17's were really scratching for teams. One way or another we managed to field teams and I particularly thank the seventeens for "hanging in". With some hopeless beatings they continued to rally and the scores were not indicative of some of the individual's ability. Myself, with Dave Owens and the help of Scott Wright chased up players from wherever we could and defied the East Perth Junior Council's suggestion that we "scrub" the 17's.

All teams had some very good players and two in particular stood out, viz. Terry Doyle in the 15's and Ting Oh in the 11's. Some of the boys remaining in the 17's for next year have latent ability and I hope they are trained hard next year. Two boys who came into football late in the year in Andrew Searle and Steven Lobo served the club well with some excellent games. "Lobo", as he is known to his mates, had not played Aussie Rules before and we all hope he doesn't kick that round ball again.

NOTE: Training will begin on the same day and times for next year beginning on the third week in February. Boots will not be worn until mid-March and training will be in the format of "fitness classes".

SOCIAL FUNCTIONS

Dave Owens, our social secretary, worked hard with the help of the old reliable crew and we had some nice functions, the most notable of which was the "Nosh UP". The girls arranged the trimmings and David & I rotisseried the most superb 60kg pig which was so tender it just fell to bits. Everyone raved and those who didn't come, "TOUGH LUCK". The Cabaret was a success, excepting numbers which were poor. Those who responded by sending their tickets back or attending, I thank you.

Next year more participation is needed from the younger parents as these functions are the only source of income the club has, apart from fees, and doesn't run on fresh air. Approximately 80% of parents and their friends were those of 17's players and these will be leaving the club this year. If you do not support these functions there will be no money to run the club with. The carry over purse is worthwhile and congratulations to those who supported the club.

COUNTRY CARNIVAL

At the request of Mt. Lawley we took over their responsibility for the Country Carnival in the 15's age group. A few of the 15's parents participated, but once again it was the 17's parents who organised the show. Those parents who billeted boys all seemed to enjoy it and I thank them. Thanks also to Bro. Tom Pichett from St. Marks for the loan of 10 boys to fill our side.

LUNCHES for 500 boys in the carnival were co-ordinated by Dave Owens and a team of girls. E.P.J.F.C. officials congratulated Dave and the club for a most efficient job done in record time and without a hitch, excepting the blowing of power fuses from overload from 6 pie warmers and 2 micro ovens.

EAST PERTH JUNIOR FOOTBALL COUNCIL

Our presence was felt by President Bill Forrest early in the piece after a recommendation from him that we disband the 17's from lack of numbers. Dogged determination prevailed on our part and we did field a team as mentioned. Our club did have cause to meet specially with the Council after our boys were incited by field umpires in a match against Morley Police Boys 17's. Our official complaint was debated on 'of sorts' and what came out of it was improved umpiring for the rest of the season. It is no secret that I don't

President's Report (contd.)

think EPJFC does enough to help the underdog clubs. Credence is given that the Council does a lot of work, although in my opinion new ideas should be looked at.

LIFE MEMBERSHIP

The club executives have this year given two life memberships -

DON KERR, has given dedicated support to the club over many years, particularly as assistant to the coach. He, as well as his wife Joy, have given unswerving loyalty and Don particularly has always been ready to lend a hand in any area.

MICK CURTIS has always been available to help in any way. Much has been spontaneous in assisting in ground marking, social functions and match support. Mick's wife, Mary, has for the most been along with him and their attendance will be missed. (Sheba too). Congratulations and good luck, Mick.

I would like to thank Mary Curtis for her services as Secretary. I'm sure we all benefited from Mary's informative and "to the point" reports. Thanks, Mary.

To all those that helped in various ways, I thank you. Those who didn't help know who they are and please be reminded that the club doesn't run by itself. One parent I asked about his boy didn't even know he played. The club should send him an account for baby sitting!

TREASURER

We have a healthy enough bank balance for the incoming committee to mind. Capital items cost about \$1,000 this year and included our share of the new floodlight. There are quite a few boys who made no attempt to pay their fees or sock money. Naturally, this would boost our funds.

All things considered, we had a good year although fundraising social functions were poorly attended by the younger age teams' parents.

In closing, I wish the incoming committee and the club every success and remind them it is important to start happening no later than the beginning of February, so parents please gear your boys for this time.

I wouldn't class this term of office as "the happiest portfolio I've ever had", but nevertheless satisfying in some ways. My work load, perhaps, did not allow me to give as much as was necessary.

Thanks and good luck.

JOHN C. WRIGHT
PRESIDENT

SECRETARY'S REPORT

This year, we fielded four teams in the East Perth Junior Football Competition compared with five last year: 11's, 13's, 15's and 17's. It was disappointing that through lack of numbers, we were unable to field a 9's team, because we are all aware, this is an important age group whereby we have the opportunity to introduce keen young boys into district competitive football for the first time. Hopefully, next year, we can remedy the situation and successfully recruit enough boys for the 9's competition.

A measure of success was achieved by the 11's who played in the first semi-final, and for this we can say to all concerned, "Well done!".

However, on reflection of the 1983 Season, the accent was on "participation" and although winning was always our aim, we soon began to realize that playing the game was very important. The boys from all grades showed their persistence in competing, trying and playing each week, and found that courage and team spirit was high on the lists of accomplishments.

This dogged persistence personified the 17's. Despite disappointing losses, injuries to a side always battling for a full team and perhaps one could really say, existence, these boys played each week, demonstrating courage and their keenness to play football, and found that they enjoyed their games!

I think that credit must go to the Coaches, Managers and others whose combined effort were responsible for stimulating Team Spirit, which was shown by the boys from all Grades.

On the winning note, we were all delighted to hear of the success of Ting Oh of the 11's and Terry Doyle of the 15's who were awarded the "Fairest and Best" in the East Perth Junior Football Council Awards in their respective age groups. Coolbinia can be justly proud of the performances of these two boys.

I would like to thank the President, Officers and Members of the Committee who have helped me tremendously with my job as Secretary, and who have made this a particularly happy period of my life. Each member has contributed a lot to the Club and rather than single out any particular member, I would like to congratulate them individually for the sterling work they did throughout the season and I am sure they are deserving of well earned praise for their efforts. I hope they share a feeling of satisfaction of a job well done. In fact, it has taught me a lesson in that no matter how small my contribution was, I received more satisfaction in the friendships I have made and the happy social occasions I have enjoyed by supporting the Club than if I had not contributed at all. In other words, I was on the "winning side".

I think the future of the Club lies in its players, parents and supporters. The new Committee can build up Team Spirit among the boys, foster parent support and involvement both at the games and Club functions, because the nucleus is there in the quality of the Club, which has been strong in the past, and I hope, will continue to be so in the future. The strength of the Club is in its representation, and I am sure that success is the goal for which we all aim.

Best wishes for 1984.

MARY CURTIS,
SECRETARY

COACH'S REPORT

11's GRADE

COACH : Trevor Clarey
RUNNER: Dave Jarvis
PROPERTY & JUMPERS: Trevor & Carol Clarey
MANAGER : Dave Jarvis
TIMEKEEPER : Paul Ringrose

Season 1983 has been a most satisfying year coaching the 11's Grade. Winning more games than losing games and finishing in the top five was most gratifying. The most pleasing factor was not only the improvement shown by each boy, but the way the team progressed throughout the season to become a closely knit combination. Some of the team play towards the end of the season was excellent.

It is my belief that the major goal in coaching boys of this age group is to concentrate on their football skills and endeavour to develop that comradeship with other boys necessary in a team situation.

Having twenty six boys to play each week proved a little difficult, but I believe that each player should get at least half a game. Thanks to those boys who helped Dianella out throughout the year.

My sincere thanks go to our Team Manager, Dave Jarvis, who also assisted in helping coach the boys throughout the year.

In closing I would like to thank all the boys for their co-operation and keenness throughout the year and hope they continue with their football at the club and strive to improve. See you all in '84.

CLUB FAIREST AND BEST AWARDS 1983

11's GRADE

FAIREST AND BEST - TING OH

Ting the Captain of the side is one of the most gifted and natural footballers I have ever had the pleasure to coach. His ability is reflected by winning the Competition's Fairest and Best Award as well. Besides having all the attributes of the necessary playing skills, Ting possesses the very important factor of attitude and is always willing to learn and listen and endeavour to follow all instructions given to him. Congratulations Ting, and all the best for the future.

RUNNER UP - GLEN SILICH

Glen, the Vice-Captain of the side showed throughout the season his versatility by playing in a number of key positions including the side's No. 1 ruckman. Glen shows tremendous determination, enthusiasm and lacks no fear and sets an example to the rest of the team. He rarely missed a training session throughout the season and is always willing to listen to advice. His willingness to improve his skills will develop him into a great footballer. Well done, Glen.

BEST POSITION PLAYER - JOHN CLAREY

John played most of the season at half forward with an occasional run on the ball. He is capable of taking a strong mark and combines well with his team mates with unselfish play and throughout the season was the side's leading goal kicker. John is a player who is prepared to commit his body at all times. Well done John, and keep the good work up.

MOST COURAGEOUS PLAYER - BRADLEY HUTCHINSON

Bradley, one of the smallest players in the team and his first year at Coolbinia, showed exceptional potential as a rover. His willingness to compete for the ball and his courageous endeavours were a constant inspiration to the team. Well done Bradley, hope to see you next year.

BEST DEFENDER - GORDON FRANCIS

Gordon played most of his football throughout the season at centre half back and full back and was one of the most consistent backmen in the team. His clearing dashes were a delight to see and with a little more work on his kicking and concentration will develop into a top footballer. Keep working hard Gordon.

COACH'S TROPHY - PAUL WINTERIDGE

Paul was still eligible to play under 9's and to do so well throughout the year showed that he can develop into a very good player. His attendance at training was excellent and his willingness to learn was an example to all his team mates. Keep up the good work Paul.

1983 is a Season I will long remember. Although it was one of relatively low success in the number of wins, the boys may feel quite proud in the performances on the field. The team maintained a steady improvement throughout the year of which the benefits will be reaped in next season's football.

The highlight of the year came on one of the last games of the year when the final kick on the siren determined a win in our favour against one of the top sides. This game was only one of which a vast improvement was starting to show in our performances.

My congratulations to all trophy winners, of which all members of the team may feel a part of, as football is a team effort.

My special thanks to Derick Gow for his tremendous effort in assisting me and the players throughout the year.

I would also like to thank those parents who came down to support their sons and the Coolbinia Yokine Junior Football Club for giving me this opportunity to coach the 13's football team.

CLUB FAIREST AND BEST AWARDS 1983

13's GRADE

FAIREST AND BEST - CHARLES GOW

Charles played as our attacking ruck-rover and delighted many spectators with his dazzling play on game, and ball handling ability. He gave his game and coach the utmost in dedication and is a fitting recipient of this award. Congratulations Charles.

RUNNER UP FAIREST AND BEST - DEAN CLARKE

On a team which was considered one of the smallest in the competition, Dean's height and stature were a welcome sight. Playing as our No 1 ruckman, he completely dominated the ruck duels throughout the season. His goal sense and foot passing ability were a treat to watch and I am sure Dean has a fine football future ahead. A good year Dean.

MOST COURAGEOUS - BEN ROGAN

This award truly suits the receiver. Ben's hard tackling and determination when attacking the ball were a credit to him and inspiring to his team-mates. His capacity to bring players into the game, and his enthusiasm on the field made him a respected captain. Great effort, Ben.

UTILITY PLAYER - ANTHONY JACKMAN

Started the year in the back pocket, then moved to full-back, then to centre half back, then into the centre, and finally as a rover. Played all positions with great competence. For his small size, his marking capacity in the packs never ceased to amaze me. Anthony's excellent attitude and concentration at training obviously contributed to him receiving this award. Congratulations Ant.

BEST DEFENDER - JAMIE SEAGRIM

Played the year in the back pocket and generally blitz the resting rovers. A position I had very few problems with as he gave a steadying effect to the whole back line. Jamie's commendable attitude towards the game ensures him of a bright future in football. Well done, Jamie.

COACH'S TROPHY - CARL FISHER

Carl has played consistently all season and his dedication of the game was shown by his regular appearances at training, even though at one stage he had a broken finger. Playing in a position he generally disliked, Carl still maintained a high standard which had become expected of him. A fine year, Carl.

COACH'S REPORT

15's GRADE

It was a great honour to be given the opportunity of coaching the 15's Team this year.

Whilst there have been numerous frustrations along the way, many rewards have accrued to compensate.

It was my wish in the pre-season period to involve the boys in a comprehensive training program in order to prepare them adequately for the first match. Unfortunately, as in past years, lack of numbers hampered us and in many matches, we were unable to field a full side. Although the situation improved somewhat towards the middle of the year, it was still very difficult to be a competitive side.

Another big problem was the size of our boys compared to other sides such as Bayswater. As would be evident to anyone attending the games, our boys found it extremely difficult playing against boys who had already reached physical maturity. Consequently, our boys were often thrashed, not because of lack of endeavour or ability, but because of physical immaturity.

Despite these difficulties, it was most encouraging to see boys still attend training and do their best in every match.

It would be remiss of me not to congratulate the six trophy winners, who I am sure, will continue to develop in the years ahead. There are many other players who improved markedly during the year and will obviously be valuable players next year. Amongst these - Paul Mobilia, Leo Martella, Kyle Smith and Peter Maranis were especially prominent. Proven talented players with Coolbinia, Doug Francis and Brad Wintle showed glimpses of outstanding play, and with more dedication and another year's growth, will improve greatly. Mick Laverghetta and Tom Mangione are two other players who through their regular attendance at training will eventually become very valuable players.

I should also mention that William Gow unfortunately broke his wrist midway through the year. Up until this time, he was showing excellent form in the centre and it was most frustrating both for him and the team to have to miss the rest of the season. Next year, William will reach great heights as a player.

Finally, I would like to thank the boys that continued to attend training and matches despite being badly beaten on many occasions. With your enthusiasm and endeavour, I am sure you have learnt much and in fact, have a tremendous advantage over boys from strong sides, such as Bayswater. Whilst they have won most of their games easily, you have had to battle and this will stand you in good stead for the future.

There is a very common misconception that champion junior footballers invariably become champion League players. In fact, quite often it is the junior footballer that struggles and is dedicated, who eventually makes League ranks. This is about it, boys! If you are sufficiently dedicated, everybody has the ability to succeed. With many boys still eligible for the 15's next year, I am sure the Team will see much more success.

I would like to thank the parents who came down to watch their sons play. It is very much appreciated and helps to improve team morale.

Thanks to Beth Thompson for looking after the teams' jumpers.

Coach's Report (contd)

Finally, I must thank Derrick Gow, my Team Manager, for providing his help during the year. As he also manages the 13's Team, it was a great effort.

Thanks, Derrick!

Hoping to see everyone back at the Club next year.

CLUB FAIREST AND BEST AWARDS 1983

15's GRADE

FAIREST AND BEST - TERRY DOYLE

Terry's performance this year was one of the greatest I have seen in all my years of coaching junior football. He provided an object lesson for his team mates in every game through his hard but fair approach to football and his never-say-die attitude. This combined with his high level of football skill resulted in him being close to best on the ground in many matches. In fact, I am pleased to report that Terry won the East Perth Junior Council 15's Fairest and Best Award.

Congratulations, Terry! May this be just the start of a very successful football career.

Club Fairest and Best Awards 1983 (contd.)

15's Grade (contd.)

RUNNER UP FAIREST AND BEST - JOHN NICOLAOU

John is a boy who possesses a lot of natural ability and most importantly, is constantly trying to improve his skills through regular attendance at training. As long as he maintains his interest in football, I can see John developing into a player of League potential.

Congratulations, John !

BEST UTILITY PLAYER - KEVIN GRIGG

It is particularly pleasing to be able to present this award to Kevin. Because of a player shortage at the start of the season, Kevin was recruited from East Perth-Highgate, who had a surplus of players. It is to his credit that he proved beyond doubt what a valued and talented player he is. Kevin could always be relied upon to play well and give his best no matter where I placed him on the field.

Well done, Kevin !

MOST PROMISING - ANDREW SEARLE

Andrew joined us half way through the season and it was a great effort to poll as many votes as he did. He is a beautifully balanced footballer with excellent ball-handling skills, and this helped to create the play for his team mates in every match. I am positive that Andrew will utilize this talent in the years ahead.

Well done, Andrew !

MOST COURAGEOUS - RAY TORRE

As Team Captain this year, Ray provided a constant inspiration to the Team with his tigerish and fearless attitude towards winning the "hard ball". Even in games against bigger and more talented sides, Ray would never give up and his attitude, I am sure had a very positive effect on his team mates.

A player of Ray's calibre is valuable to any football team and I hope he continues playing football in the coming years.

Keep up the good work, Ray.

COACH'S TROPHY - PAUL ZISSON

Let me make it very clear to everyone that this trophy is as equally prestigious as the others, and the winner must possess special attributes.

The winner of the award this year goes to Paul Zisson who has been with the club for some time. Whilst Paul, at present, may not show as much football ability as other boys, his overall excellent attitude makes him a pleasure to coach.

He is most co-operative at training and genuinely shows a desire to learn and improve his football skills. In fact, improvement throughout the season was quite impressive and I feel Paul will be an excellent player for the Club next year.

I will definitely be watching Paul's personal and football progress with interest in the years ahead.

Congratulations, Paul !

COACH'S REPORT

17's GRADE

Pre-season training in the Seventeen's Grade this year almost wasn't. Three short weeks before the first game of the season the boys and I congregated at the oval ready to face the challenge of the Football Season ahead.

Through we lacked the numbers to be a competitive force in the competition the players' attitude even at this early stage was to prove admirable. It is no secret that the obvious lack of attendance at training and the first couple of games prompted some thought of disbanding the squad.

To their credit though, the lads rallied together and one way or another they managed to enlist the services of friends and friends of friends so that mid-way through the first round of fixtures we had beaten the odds and were able to field a very determined team of young footballers.

Undaunted by a string of defeats inflicted in the early part of the season we were all looking forward to our clash with Morley Police Boys. Instrumental in our preparation for the big day was an organised weekend trip to Rotto - not so much a training camp but rather an opportunity to develop the comradeship that already existed in the team.

Few of us will forget that weekend. Highlighted by Mal Craib's fishing prowess and Vince Clementson's survival techniques our time away also proved exhilarating for the Fathers - namely Wright, Owens and "Rocky" Robinson. What with cooking, cleaning and supervision chores it was unanimously decided that next year the Mothers go instead.

Nevertheless, the trip was a resounding success and I feel sure that it played a big part in our spirited effort a week later. Unfortunately we didn't win that match but there is little doubt that it was by far our best performance during the year.

I guess most junior football clubs have at some time been faced with the problem of recruiting players and this season in the Seventeens appears to have been our year. However disappointing our performances may have seemed to others, I for one, felt extremely proud to be associated with a team of young footballers who fronted up week after week without winning a game.

There is no point reminiscing and indeed I feel that in the circumstances the team did its best each and every week. I extend a personal thanks to all the boys for their efforts and take this opportunity to make mention of several others who supported and assisted me during the year (hope they appreciate their well deserved nicknames).

Johnny "Walker" Wright	-	Good Game John
Dave "Pommy" Owens	-	Couldn't have managed without you.
Pete "Rocky" Robinson	-	Several Good Points
Mick "Shutter" Curtis	-	Snappy Season
Ian "Blue" Rae	-	Colourful medic despite the rumours.

CLUB FAIREST AND BEST AWARDS 1983

17's GRADE

FAIREST AND BEST - NORM MCGREGOR

A tried and true defender who was converted to Centre during the season, Norm had a very consistent year and shows tons of potential to continue his football career at far higher levels in years to come.

Norm displayed good temperament and provided many outstanding performances in this demanding position.

Hearty thanks and congratulations Norm.

RUNNER-UP - JON CURTIS

An extremely skilful player, Jon's contribution this year was unfortunately interrupted by a severe injury sustained during the Morley Police Boys' game.

His efforts this year were a continuation of Jon's fine contribution to the Club over the last decade.

Club Fairest and Best Awards (contd.)

17's Grade (contd.)

BEST POSITIONAL PLAYER - MARK ROBERTSON

Mark had the unenviable task of leading our ruck battery throughout the year and he capably fulfilled this role whether on the ball or around the ground.

Mark's football skills improved dramatically with this added responsibility and he is to be commended for his enthusiastic attitude at both training and games.

An impressive season - Thanks Mark.

MOST COURAGEOUS PLAYER - ASHLEY WRIGHT

A truly gutsy performance whether in defence or on the ball with the ability to instill confidence in team mates and make his presence felt with the opposition.

A first-year Seventeens Player, Ashley can look forward to an even better season in 1984.

Well done Ashley.

BEST UTILITY PLAYER - STEPHEN LOBO

Stephen came to the Club mid-way through the year and proved a valuable asset particularly in view of the fact that this was to be his first ever season of competitive football.

A useful player in many positions, I believe that if he had started his football career earlier he would have become a champion within the Club.

An excellent contribution.

COACH'S TROPHY - VINCE CLEMENTSON

What Vince may have lacked in skills he more than made up for in his attitude toward training and sportsmanship.

He provides a valuable lesson to younger players within the Club to the results that can be achieved given 100% contribution at training and matches whatever your ability.

Most impressed Vince.

This year this Trophy has been won by Ting Oh who had an outstanding year and also won the Fairest and Best for the whole East Perth District.

To those who have seen Tingplay it is easy to see natural ability and "headiness" combined with true sportsmanship. Your mates and the committee all hope you will continue on in the coming season with the same success.

Well done, Ting !

THE TONY ZIMBULIS MEMORIAL TROPHY

(Awarded Annually to the Best Clubman)

THE WINNERS FOR 1983

JILL & DAVID OWENS

Both Jill & David gave "their pound of flesh" during this year and in the years gone by. Jill is probably the best recorder of happenings as long ago as 7 years when the Owens' joined the club. If you want to know who had the sweets course for the progressive dinner in 1977 or who did what, when, ask Jill.

Over the years Jill has done as much as any of the ladies, if not more.

David has had many portfolios in 7 years, mainly on the social side. This year he was social secretary, team manager for the 17's, and acted as delegate to the EPJFC, and worked hard at the country carnival.

Well done, the Owens', not only this year, but past years. Their efforts will certainly be missed.

Congratulations Robert !
