PRESIDENT'S REPORT

Dear Members and Players,

Persons on the committee were mainly parents from the 11's and 13's age group. It was disappointing that we were unable to field a 15's team but it was more disappointing that there was not one parent from the 17's who was willing to be on the committee in their son's final playing year.

The objective this year was to ensure that boys in the community could get a game of football and this was achieved. The Club has been kept together by a small group of parents and other interested persons and hopefully this will continue next year.

Success on the field was limited, with the 13's enjoying the most success by finishing 3rd on the ladder but they were knocked out in the play-off for the finals.

SOCIAL

At John Wrights suggestion a "Swansong" night was held at the club-rooms. An enjoyable night was had by all, thanks particularly to the Wrights and the Owens. This function was not intended to be an income deriving function and consequently \$158 profit was achieved.

FUTURE

The committees feelings are that there appear to be two options.

1. Have two teams, 12's and 14's.
2. Amalgamate with another club.

The incoming committee for 1985 will make decisions on the options but it is important to remember the 1984 committees objective - to give the boys in the community a game of football.

More parents are required who are willing to play an administrative role in the Club. Boys, please ask your parents to offer to help before the 1985 football season commences, and tell all your friends to come to Coolbinia to play football.

TREASURERS REPORT

We have a healthy bank balance for the incoming committee to use as they see fit for the boys.

Fees and sock money of approximately \$400 were not recovered, the main offenders being the 17's.

Cool drinks were given free of charge to all age groups after some training nights and after some games.

This has been a "holding" year. It will be up to the incoming committee to decide the policies for the Club in 1985.

I will certainly be available to help in 1985.

Derrick A.G.Gow

PRESIDENT

SECRETARY AND REGISTRAR'S REPORT

The 1984 Season started slowly. With the Rogans' moving to Maylands, a vacant position was created on the Committee which I was pleased to accept.

Registration caused some problems, it seemed we would be a few players short but as the season progressed the boys arrived which was excellent.

We fielded three teams compared with four last year, unfortunately we could not enter teams for the 9's and 15's but with the 11's, 13's and 17's we did very well.

The 11's played well throughout the year, often with two or three short and still managing to beat the top teams in the competition. With a little more concentration at training we should produce some fine young footballers of the future.

John Clarey won the Club's Best and Fairest Award for a good consistent effort for the season. Well done John and also Trevor and the boys.

The under 13's were unlucky not to have won the Shield but it was a good season, well fought and as the coach said many times - with good reason - "we haven't a team of champions, we have a champion team". Congratulations to Ting Oh for the 13's Fairest and Best Award and also for coming third in the umpires' awards.

With the 17's we had a team which, throughout the year, refused to give in. Though beaten they would turn up the following week determined to win, showing great courage and never disheartened so a hearty "well done" to Alan and the team. To Nigel Edson who won the Best and Fairest Award and also finished 5th. overall in the umpires' voting, congratulations and well done.

A special thanks to the Coaches and Managers and all people who assisted throughout the year to enable the games to run smoothly and to Mrs. Whitlock, ably assisted by Mr. Whitlock for running the Canteen so successfully. Thank you everyone.

I would like to thank Derrick and Leila Gow for their help throughout the year, I could not have managed without them and thanks also to all members of the Committee.

In closing, I feel that the Coolbinia/Yokine Jnr. Football Club has a bright future if we pull together and help each other. For 1985, things are looking good.

P. Whitlock

CLUB FAIREST AND BEST AWARDS 1984

11's GRADE

FAIREST AND BEST - JOHN CLAREY

John, the Captain of the side has shown throughout the year to be the most consistent player in the team. His attitude towards the game is first class and he is always willing to learn. John's tremendous determination and will to win are attributes that will hold him in great stead in years to come. Well done 'George' and keep up the good work.

RUNNER UP - SPIRO MALLIS

Spiro, probably the most gifted player in the team shows a tremendous amount of potential. His ability to play in many positions and read the play are encouraging for a young player. Unfortunately Spiro had a slow start to the season, but finished in dazzling form. Well done Spear.

BEST POSITION PLAYER - CRAIG DREVER

Craig played most of the year on a half back flank and by the end of the season proved to be the best in the competition. His tenacity and straight through approach was an example to all his team mates. Well done Craig for a great year, keep up the good work.

MOST COURAGEOUS PLAYER - JEREMY QUINN

Jessa showed throughout the season to be the side's most determined player. His never-give-in approach was a great example and some of his dashes from the wing were top class. With a little more kicking practice Jeremy will develop into a fine footballer. Keep working hard Jessa.

BEST UTILITY PLAYER - LEON O'FARRELL

Leon played most of the season in the centre and commenced the season in brilliant form. His improvement from last year is dramatic and is steadily developing into a top footballer. One word of advice Leon, always believe in yourself.

COACH'S TROPHY - MARK ILLINGWORTH

Mark is my choice because he always attended training, was keen to learn and improve himself as much as possible. His improvement throughout the year proved this and there is no doubt he will develop into a fine footballer. Keep up the good work, Mark.

PROPERTY & JUMPERS : Trevor & Carol Clarey

Season 1984 compared with the previous year, was a most frustrating one. Although the team performed reasonably well on the field, I am concerned with two areas of junior football. Firstly, the considerable drop in the number of boys wishing to participate in the game, and secondly, the attitude and behaviour of some of the boys who did present themselves to play for Coolbinia.

Had it not been for the lack of numbers, I most certainly would have had no hesitation in disallowing some members to continue playing. However, I considered the majority of boys did want to learn to play the game and to their credit they continued each week, although short in numbers, to produce some fine football and push, especially top sides in the remaining three qualifying games of the season.

Win, lose or draw, my satisfaction is to see improvement in players as the season progresses, and I believe that this was achieved. Given that some of the boys at the start of the season were beginners, it was gratifying to see the improvement of their football skills at the end of the season.

To those few parents who were prepared to help, thanks to Dave Jarvis, Alan Drever and especially to my wife Carol.

In closing, I would like to apologise for not being able to attend all the training nights, but thank Peter Whitlock for helping out.

To all boys, although few in number, thank you for your efforts and dedication throughout the year, and I hope you continue with your football at the club, and always strive to improve.

See you all in '85.

TREVOR CLAREY - COACH.

Generally over the years this award has tended to be won by a player from the younger age groups. I am glad that a player on this occasion is from the 17's, in his final year with the Club.

Each year the President's Trophy is awarded to the player who polls the highest number of Club Fairest and Best votes throughout the season thereby becoming the Clubs most outstanding player.

This year this Trophy has been won by Nigel Edson who had an outstanding year.

To those who have seen Nigel play it is easy to see natural ability and dedication combined with true sportsmanship. Your mates and the committee all hope you will continue on in the future with the same success.

Well done, Nigel!

CLUB FAIREST AND BEST AWARDS

17's GRADE

FAIREST AND BEST - NIGEL EDSON

A converted rugby player who fitted into the side extremely well this year. Nigel displayed a very competitive spirit and fierce desire to win the ball and assist the players around him, forming a valuable link between defence and attack.

An outstanding season Nigel and I wish you all the best in the future.

RUNNER UP - ASHLEY PITMAN

Ashley has spent all his junior football days with Coolbinia and has proven to be a great asset to the club and a credit to himself. This year has undoubtedly been one of his best, playing the roving role to perfection both around the ground and in front of goals whilst resting. Thanks for a good season Ash both on and off the field and all the best in the future.

MOST COURAGEOUS PLAYER - ASHLEY WRIGHT

As captain of the side Ashley carried a great burden particularly as being our number one ruckman. Always in the thick of things and farming the ball out to his smaller players provided great drive for the whole team. His presence always lifted the players around and he was often "felt" by the opposition.

Thanks for your capable assistance Ash and look after yourself.

MOST VERSATILE PLAYER - TERRY DOYLE

Terry was often called upon to fill many varied roles and wherever placed in the side he continued to give his best. It is very difficult for a player to hold down different positions week after week and it was a sign of great ability to perform so well under those circumstances particularly as a first year player. Keep trying at Perth Oval Terry - you'll get there!

MOST CONSISTENT PLAYER - JOHN NICALOU

Another first year player who promises an outstanding football future. Playing most of the season on the ball John was a prolific kick getter and more importantly, a hard chaser and team contributor. Never failed to produce his best and will undoubtedly finish his junior football career next season in a blaze of glory. All the best John and your opportunities will only be there if you go and get them.

COACH'S TROPHY - RAY TORRE

A most aggressive footballer and though small in stature a giant in heart. Sets a fine example to those around him in dedication to the game, first to the ball and always prepared to chase. Ray will have another outstanding season next year if he continues to give 100% to the team. Best of luck Ray.
