PRESIDENT'S

The Bombers season of 1998 has seen a number of landmarks as well as an increase in numbers in all grades.

The landmarks included our 10th Anniversary Year; two of our players winning the District Fairest and Best in their respective grades, congratulations to David Waters in 13's and Lee Black in 15's; our 13's team being undefeated all season, winning the Grand Final and bringing home our first Premiership flag; our 15's team playing in the Grand Final and finishing the season at second position on the ladder. Terrific results for this our 10th Anniversary.

It has been a very busy season for all connected. The executive has done a wonderful job through the year and my thanks go to each one of them. Thanks must also go to the East Perth Junior Football Council under the guidance of Joe Barbaro for their support throughout the season. This year saw our Club increase its playing strength from 7 to 9 teams and as the season reaches its end my thanks go to all the parents, grandparents, friends and players who supported and worked with these 9 teams throughout the year. Your efforts have resulted in a great season for the teams and the Club.

On the administration side of the club, things went extremely well. I would like to thank the committee for their support:

Vice President **John Carrod**, for his enthusiasm.

Treasurer **Trevor Tucker**, for the credit and debit reports.

Secretary **David Geddes**, for once again doing a great job.

Registrar, Time Keeper and Fundraiser **Peter Tweedy**, where does he find the time. It is all greatly appreciated Peter.

Canteen Organisers **Gael Catania** and **Leeanne Sells** are retiring from this position and will be sadly missed.

Thanks for such a well run canteen. *Coaching Coordinator* **Charles Musca**, for his efforts.

Committee Members **Tony Catania** and **Robert Bonolo**, Robert is also our "MedicineMan". Thanks go to you both for your time, energy and assistance.

Property Person **Mark Harvey**, who once again took stock of our property. **John** and **Karen** have kept our club rooms and changerooms fresh and clean all season.

Annual Report **Fran Howlett**, for once again accepting the challenging task.

To all our coaches and managers thank you and I look forward to seeing you again next season. Our sponsors also require thanking for their continued support.

I thank you all for supporting me in my role as President of the Bombers Junior Football Club, it has been a privilege to work with you all.

COACHING CO-ORDINATORS

AUSKICK

JOHN ROMPOTIS

John has given this grade a huge kick in enthusiasm for this very exciting group of under 8's, flanked by many helpers. John has been a big bonus to the Bombers. We hope he is with us for a long long time.

UNDER 9's BLACK KEVIN HALL

Kevin, assisted by Mark Durant, got this squad firing all shots very quickly, having the pleasure of seeing big improvements in his players.

UNDER 9's RED LINO SANTELLA

Lino fitted into this grade like a glove with many years of experience behind him. He had good support staff and a very enthusiastic group of players to coach.

UNDER 10's TERRY HODGE

Terry, in his own regimental style, has a very slick team who enjoy his training methods and advanced techniques.

UNDER 11's BLACK GAVIN DENNIS

Gavin, a first year coach, enjoyed his role so much that you could see it rub off onto his players who had a tremendous season.

UNDER 11's RED CHESTER CAINE

Chester with his very likeable nature had his players enjoying both training

and games by always encouraging them to learn and improve.

UNDER 12's ERROL COUCH

Our President Errol took on this vacant position and quickly built up a small squad into a large contingent of very capable players who played some exciting football for this team.

UNDER 13's JOHN CARROD

John's team went through the entire season undefeated. He recruited well and prepared his side both physically and mentally for a Top Season. Well done to John and his players.

UNDER 14's PHIL SEAL

Phil took on a difficult job, gained some new players and ensured that his players were learning all the time with his vast experience of football. His team improved and had a moral boosting win last game of the year.

UNDER 15's CHARLES MUSCA

A big year in the 15's only losing two games and seeing a side who have been gradual improvers since u/13's, rise to great heights. With the inclusion of several new players, in particular from Osborne Park, Charles had this team playing some scintillating football greatly assisted by Assistant Coach, Ken Higgins.

COACHES REPORT

REGISTRAR'S

The Bombers playing strength for the 1998 season was as follows

Auskick	26
9s	39
10s	24
11s	32
12s	24
13s	25
14s	26
15s	26

TOTAL 228

The total of 228 active registered players represents an increase of almost 12% on our 1997 strength. A strong increase in numbers in the 9s required the formation of two teams in that grade, and an additional team was also fielded in the 11s. Numbers were down in Auskick, where the club was a victim of its own success, as many players were found to have made such good progress that they were promoted to the 9s!

New registrations for the year totalled 83 over all grades, compared to 71 for 1997.

This year we were fortunate to be able to attract quite a few players from other clubs which were unable to field teams in some grades due to lack of numbers.

PLAYERS' MILESTONES

100 GAMES

UNDER 9s BLACK

Congratulations to all the players of the Bombers Black U/9's for a very successful 1998 season. As Coach, I'm happy to say the boys progressed extremely well in the development of their football skills.

At the beginning of the season the boys showed real enthusiasm and willingness to learn. This continued right through to the last training session. Well done.

Each Saturday morning the team was very keen and all players were eager to impress a loyal band of supporters (Mums, Dads, relatives and friends). Although the games were not recorded as wins and losses, the boys always seemed to remember who "won" or "lost". I think there were more "wins" than "losses" which was a bonus.

Once again, well done boys and we hope to see you all back at the Club again next year.

KEVIN HALL

COACHES REPORT

UNDER 9s RED

COACHES REPORT

Coaching the 9's Red this year has been fantastic from a personal point of view, and quite frankly the most enjoyable grade I have ever coached. We ended up with two U/9's teams and to make up numbers we graduated six young boys from Auskick - Wesley, Brady, Zac, Mitchell, CJ and Mathew. These boys have been great for the team. I would like to thank these boys very much because they will still be playing 9's next year.

This year has been a productive one with many of our players learning new skills and attitudes towards the game. Also the team spirit and attitude of the boys and their parents has contributed to the 9's having a very good year. The way the boys have developed their skills and team has been gratifying to myself and I am sure their families also.

Now I would like to thank a group of people who helped the team this year:

- To all the Mums who washed the jumpers and for helping out in the Canteen - also to the Mums and Dads thanks for your help making the sausage sizzles.
- All the Dads and Vee Jay for doing the goal umpiring.
- All the Mums and Dads for doing the time keeping.
- To Yolanda for bringing oranges every week for the boys.
- To Paul Bunting, Mal Fairclough & John Johnstone for helping me at training.
- Many thanks to my Manager, John Johnstone, who did all the hard work organising the team, canteen roster, sausage sizzles and washing of the jumpers rosters. For his great assistance to me every day and every week of the football season. Thank you very much John.

Finally, to all players, lets all stick together for the 1999 season and give the Club our support.

LINO SANTELLA
COACH

PLAYER PROFILES

WESLEY BOWLEY joined the U/9's from Auskick. A character member of the team with great determination to do his best. Very keen and willing to listen and learn in his first season of football. Takes a good mark and kicks very well. Wesley's endeavour cannot be questioned. He will have another good season with the 9's next year. Well done.

JASON BUNTING started off slowly, but then put his mind to it in a few games. Jason must concentrate more at training and his game will improve a lot. He kicks and handballs very very well - practice more on your marking. Keep it up Jason.

PETER BICKERTON joined us late in the season but fitted in very well. Peter gradually came to grips with the game and improved greatly by the end of the season. Must concentrate more at training and practice his kicking. Well done Peter.

BRADY CLEMENTS was used mainly in the backline and played a few games in the forward line. A very young footballer who showed he could be a good footballer. Has taken some great marks and kicks very well. Also Brady will have another good season with the 9's next year. Well done Brady.

DANIEL CONST has all the skills and flair of a top footballer. Played some great games and is your typical never-say-die, never-lay-down footballer. He's capable to play in a variety of positions. Keep working hard and you will reap the rewards. Good season.

CALLUM DENNESS started off the season slowly, but then put his mind to the job. Callum needs to work on his skills, mostly on his kicking. Keep up the good work Callum.

LUKE DOUGLAS has the determination and desire that is needed in any footy team and does not know the word quit. Tries very hard in all the games, capable to play in any position, kicks very well and his handballs are also good. Well done Luke.

BEN FAIRCLOUGH played some good games this year when he has applied himself to the task. We tried to play Ben in a number

UNDER 9s RED

of positions but found he plays his best football in the forward line. He has the ability to kick a bag of goals when playing up front. Also Ben must listen to instructions from the Coach. Good season Ben.

DANIEL GRIFFIN has played most of his games in a forward pocket and tried very hard. Daniel must concentrate more at training and during the games, also practice on your kicking, marking and handball. All in all well done Daniel.

ZAC HARDIE is another young boy who joined us from Auskick. He has shown natural ability for a small player, also not afraid to ask questions to improve his performance. He can go a long way in junior footy. Zac will also be a better player next season with the 9's again. Good season Zac.

BRAEDON HARTMANN was unfortunately only with us for a few games before he went away for an overseas holiday. Showed a willingness to give his best. Braedon has potential to be a good footballer. Only hope to see you next season.

STEPHEN JOHNSTONE is a real ball getter who has all the skills required from a footballer and the desire to win the ball at all cost. Stephen has the ability to play anywhere on the ground and has been a great assistance to the team. Stephen kicks and handballs very well and can take a great mark too. Good season Stephen.

MITCHELL LEE is another young player who came from Auskick. A character member of the team with great determination to do his best. Very skillful for a small player and very keen and willing to listen and learn. A very good kick, handball and takes a good mark. Keep up the good work Mitchell.

PERRY MARVELLI - a lot of our play this year has been built around Perry. He is a running player who attacks the ball and has good ball skills. Needs to improve a little on his kicking. Perry has a great attitude towards his football. Good season Perry.

AARON McERLAINE never stopped trying all year whether it was at training or in a game. Aaron has been the backbone of our

backline and gave 100% at all times. Can play any position and he has a very good kick and takes a good mark as well. Well done Aaron.

THOMAS McMAHON had a very good season and has the ability to play equally well in the forward line or back line. I feel Thomas needs to apply himself a lot more to training as he has the ability to be a good footballer. Kicks very well, needs a little improvement on handballs. Well done!

ALEX PAIOFF is a new player to the club who has not played football before. Alex picked up numerous possessions each week and was always prepared to attack the ball and not be afraid to burrow in after the hard ball. Alex is always ready to listen and learn the game. Alex needs to improve his kicking, but all in all it was a good season.

CJ PASSARIS is another young player from our Auskick. CJ has done very well for his first year with the 9's and I feel he will improve more next year when he plays with the 9's again. Acquitted himself very well, always listening at training and at the games. The experience will only benefit him. A little improvement in your kicking and also on your handball. Keep up the good work CJ.

MATHEW ROLES is another young player from Auskick. Mathew tried very hard and gained in confidence as the season progressed, followed instruction whether at training or in a game. The experience playing with the 9's will only benefit him next season. Mathew just needs to improve his kicking and marking. Well done Mathew.

ALEX SCHAAFSMA started the season in great form until he broke his arm. Alex was out for about 6 weeks but when he did play he was always keen to be in the action where his strength can be effective. Hope to see you next year Alex.

ANGELO SPADACCINI performed better as the season got longer. Definite match winner on his day, played his best football in the backline attacking the ball hard. Angelo must listen to instruction from the Coach and improve his kicking so he will be a better player for next season. Well done Angelo.

UNDER 10s

The Under 10's worked hard all year and gradually improved towards the end of the season. Every player put in a top effort each game.

Thank you to all the Mum's for washing the jumpers and working in the canteen, thanks also to the Dad's who did the sausage sizzle.

I would like to thank Sharon Hodge for being Manager again this year, also thanks to Jan and Allen Fowler for doing the time keeping, and to Debbie and Merv Sheppard for doing the drinks. Also thanks goes to Chris FitzGibbon for his goal umpiring expertise.

A special thanks goes to Colin Graham for helping out at training and for looking after the medical box.

TERRY HODGE
COACH

PLAYER PROFILES

KANE DEVLIN is one of the smallest players on the team. Kane's skills have improved greatly throughout the season. Keep up the good work.

DEAN SHEPPARD is a very skillful player who can read the play well. Dean always puts in 100% and will be sadly missed next year.

JUSTIN CALEGARI "Plugger" took some spectacular marks throughout the season. An exciting young player who likes to kick goals.

SHAUN FUREY played his first year with the Under10's and his marking and kicking skills improved over the season.

SCOTT WILSON shows tremendous enthusiasm and reliability, he has performed particularly well in the forward line and has improved steadily and consistently.

BEN FOWLER is one of the taller boys in the side, played mostly in the ruck and across the back flanks. Ben puts in a top effort each game.

MYKEL CAVANAGH is a determined player, always keen to be in the action where his strength can be effective. His marking and kicking skills have improved.

JASON FULKER always works hard through the midfield, and has the ability to go all the way. Jason is always roaming the forward area in the quest of a goal.

SHELDON WADDELL is one of the hardest workers and with guts, determination and ability, Sheldon emerged with the ball from the biggest pack.

STEFAN DEL PIZZO was always a big contributor each week with strong marking and kicking skills. He can play all around the ground and always used his team mates around him.

EDWARD RYDER is a multi skilled player who plays hard and is capable of exceptional play, playing most of the games in the forward line or on the wing.

UNDER 10s

ANTONY MARMINO gives loads of effort and can read the play very well. A dedicated team member who has trained consistently with many capabilities in roaming the forward line.

JASON TOASE, one of the new players this year, tried hard all year, playing most of his games in the forward pocket. Jason improved steadily and consistently.

YARON MIEROWSKY has improved greatly throughout the season, a player who gives his best each week. Keep it going Yaron.

GIDEON METTAM trains very hard and has developed many skills. This very sound player continues to develop and he will always be a valuable member of any team.

LUKE HUNTER is a determined young player, rebounding half back flanker, a very gutsy player whose skills improved each week and can play any position.

ADRIAN LONGWOOD is one of the new players we had this year and always likes to run and bounce the ball. Expect a big future from this young boy.

COACHES REPORT

Coaching the boys for the third year has still been very satisfying. All players showed a great keenness to participate in training and at all matches.

Even though the team found it a little difficult to adjust to the tackling rules in the 11's, eventually, they worked exceptionally hard at training and as the skills developed the benefits really showed in the games as they developed into a well oiled team. For the future, I think if these boys maintain the same attitude and desire they could become a force to contend with next year.

Personally, I would like to thank those many parents who have helped in the canteen and with the oranges and laundering of jumpers. The team really appreciates this weekly support. A special thank you to Gail Beisell for always offering help with everything on match days.

To my wonderful Manager, Sara Carpenteri - what a woman. She is made of gold as she gives our team so much of her time and herself. Thank you Sara as well for all the other managerial things you take care of.

CHESTER CAINE
COACH

PLAYER PROFILES

TRAVIS ANDERSON shows lots of style and versatility. He has the ability to play in a variety of positions and has shown terrific skills as full back where his long kicking skills out of defence are very effective.

DANIEL McERLAINE always a big contributor each week. Daniel's marking, running play and kicking skills are very evident in all games.

JORDAN CAINE showed that as his skills improved dramatically this season he emerged as a capable player. He has achieved terrific skills of picking up the ball, bouncing and hand passing on the run.

NATHAN BRUNSDEN is a newcomer to the team and has gained confidence as the season progressed. He has shown greater ball handling and foot passing skills as the season concludes. Well done Nathan.

JAMES WESTBROOK has played some very good games this season. His skills in kicking and hand passing have developed to a very high level.

LIAM RYAN is a confident and mature member of the team with great determination to do his best at all times. He reads the play very well. His speed and accuracy in passing are very effective. Liam has terrific skills in kicking and passing both left and right.

PATRICK GRIFFIN is a newcomer to the Bombers this season. Welcome Patrick. He has played some good games this year and is showing some good skills in the forward and back line. Well done.

ROBERT CARPENTERI displays the qualities of a leader, is very speedy and skillful. His game experience has been extremely valuable this season and Robert has played many very good games.

UNDER 11s RED

NATHAN EATON has all the skills of a top footballer. He is determined to gain possession at all times. Nathan is very capable playing in most positions.

JOSEPH TOMAIPITICA was also welcomed to our team this year. Even though he is one of our youngest players his effort is always 100%. He plays well in the forward and wing positions and displays many natural skills and talents with the ball. Well done Joseph.

AARON IOZZI is a very versatile team player. With very good hand passing and shepherding skills, he is always eager to assist his team mates.

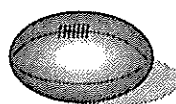

DAMIEN HARVEY continues to develop and has worked very hard all season. A determined player and possesses a very good passing kick. Damian has shown some excellent skills over the season.

DEAN BEISSEL is a very exciting player to watch. He has a very high skill level, with the ability to hand pass and kick both left and right. He is a disciplined and determined player who continues to improve all the time.

JAMES NANCARROW played mostly in the backline at the onset of the season. As the games progressed he was moved to the forward line where his strong goal kicking skills began to surface. Together with his strong mark and courageous play he seems well suited in this position.

JOEY CURTIS is a very gutsy player whose skills have continued to develop each week. He has the special ability to be explosive out of the packs.

BRODY FULTON showed his many abilities in the forward line as we were finding the most suitable position for him. In the position of centre half forward he has shown great capabilities in out marking some of the toughest opposition. He can be very proud of his skill levels he has achieved this season. Fantastic effort.

COACHES REPORT

UNDER 11s BLACK

A great season's effort put in by all members of the team. Our overall aims for the season were as follows:

1. For all players to kick and handball confidently on their wrong side and to try and use their wrong side in matches.
2. For all players to work on kicking technique.
3. For all players to use correct overhead marking technique.
4. To practice and use stab passes in matches.
5. To read the play better and use all of the oval during the course of a match.
6. To try players in a variety of positions.
7. To enjoy ourselves.

All of the team worked hard in the above areas and their practice was evident in the way they played the game.

There were some great games played throughout the year, but the best part of watching the games was seeing how our guys used and moved the ball. A lot of games saw the team playing on at every opportunity and a chain of good kicks or handballs would result in some fantastic goals.

Officially there are no scores kept in this age group. Unofficially the team won every game except their last two when they played magnificently as they did not have a full team in either game.

The boys (and girl) impressed even more that they stuck to the team rule of not disputing the umpire at all. Bombers made it a policy to go for the ball and to forget any of the other rubbish that some teams carry on with.

All in all a great season from a very good team who get on well and love their footy. Every single member of the team impressed me with their willingness to work and their strong desire to become better footballers.

The parents on the team should also get some kudos for the positive support at the games and for making sure the kids listened to the coach.

A most enjoyable and rewarding season and I hope all the team continue with their footy and go to the highest level they can.

UNDER 12s

It was most enjoyable for me to coach the Under 12's for the first time this year.

The numbers at training were excellent and the boys responded well to instruction. The benefits from their efforts at training were visible as they improved with each game.

The end of season Carnival was a huge success and our team played extremely well in all games. In the individual competitions, Raymond Roles won the longest kick and Shane Gourlay won the handball competition. Well done boys. This day capped off a great season.

My thanks to Paul Newman as Manager and David Roles as Runner. Your help was most appreciated. Thanks also to all parents who supported the team each week and helped in the various areas of canteen and jumper washing.

GRAND FINAL WINNERS

OUR FIRST PREMIERSHIP

CONGRATULATIONS AND WELL DONE

Well, what a year we had!

This team of boys started the season well and kept it up all year. They played very hard football every week and got better with every game. The season was great for the boys as well as the Club, with the team winning all 14 home and away games, then winning the second semi-final to go into the Grand Final. With this they did the Club and their parents proud by winning the Grand Final - WELL DONE BOYS.

All the boys should be very, very proud for being the first side to win the flag for the Bombers.

Also I would like to thank my Manager, Mathew Scaffidi, for all his time this year, plus to the Mums who helped Karen in the canteen on Sunday, and the Dads for goal umpiring and the Barbie, plus a thank you to Tyrone Peck for boundry umpiring all year for this grade. Thanks also to any one I have missed.

Also thank you to the Bombers Football Club and to Charles and Errol. Thank you.

All sides will have to watch this team again next year!!!

JOHN CARROD
COACH

UNDER 13s

FAIREST AND BEST KELLEN DABB

Kellen won by a very small margin but thoroughly deserved this award.

Kellen came to the Club at the start of the season and proved to be a very talented player. He played in the centre of the ground and ran the whole oval every game, making it hard to cover by other teams. I do believe this player will go a very long way in football.

Congratulations Kellen.

RUNNER UP DAVID WATERS

David was another player who came to the Club this year from Osborne Park. David proved he was the centre half back of the association by winning the Under 13's Fairest and Best Runner Up.

I believe David is the best centre half back that is going around in this age group, and was very close to winning the Fairest & Best.

David will be a better player next year with having his first year in this team.

Well done David.

MOST IMPROVED DARREN YANCY

Darren came late into the first round and stepped into this team and proved he has a lot of talent. Please Darren, keep it up, you will be a great asset next year as well.

BEST UTILITY PETER MAYNARD

PJ did have several best on ground performances, dominating the ruck and forward positions this year.

PJ is the player any coach would want to have in his team and very much a team player and displayed great leadership as captain. This boy has a big future.

Keep it up PJ.

COACHES TROPHY - MOST COURAGEOUS ADAM LEE

This award was well deserved by this boy as he was one of the small guys on the team but proved he has the biggest heart, always going in where some players didn't want to go.

Well done Adam, you are one player any coach would be pleased to have on his team.

COACHES REPORT

Looking at the season as a whole I am satisfied with the progress the team has made.

In our first game together as a unit we played very basic football. Since then we have developed a greater understanding of various aspects of the game.

The most significant improvement has been an awareness of our decision making process. We are also developing an understanding of creating space and the use of space on the field. These are two extremely difficult facets of the game to learn. The players have developed an appreciation of these skills and are progressing very well in these areas.

There were many significant individual and collective achievements during the season. Anybody who witnessed the way the side played against Swanbourne early in the season would attest to the great character of the team.

During the season I could not falter the players endeavours or their commitment. They worked very hard as a group but unfortunately did not receive the reward for the work load they applied. A bit more team skills would have seen us finish a lot higher on the premiership ladder. It was great to finish the season with a win where we displayed some great team footy and RAN THE BALL. Remember you are only as good as your last game and our last game was very good. This is the starting point for next season.

I would like to thank the players for a great year both on and off the field. It has been a pleasure to coach such a

terrific group of blokes. I hope we can all stick together and get our just reward next year.

I would personally like to thank Laurie Hart our Manager, and Kim Collard our Assistant Coach and Runner for their valued assistance which has been an enormous benefit to the team. Thanks also to parents and families for the ongoing support of their sons which the players really do appreciate.

This side is a very good team.

PHIL SEAL
COACH

UNDER 14s

There are three Fairest & Best slips that are completed by different spectators at each game. The trophies are traditionally presented to the top 5 placed players. All the recipients of trophies this year are very deserving. As with all Fairest & Best voting it is difficult to poll votes in some positions on the field. To players who don't win trophies, take heart that there are a lot of AFL players who never won trophies at Junior level.

FAIREST AND BEST KRIS CLARKE

Kris enjoys his footy and has had a very good year. Has made some sensational individual runs with the footy and most of the time they were produced when the team needed a lift. I was forced to move him around a bit and that has been good for his development. He uses his speed to great advantage. Well done Kris.

RUNNER UP MICHAEL TUCKER

Michael has great stamina and runs hard at the footy all day. He has an enormous capacity for work. Michael has good ball skills and uses both sides of the body. His game against Claremont was simply outstanding. Michael also had to be used in a few positions but will develop into a very good onballer. Keep up the good work Michael.

BEST POSITIONAL PLAYER VINCE TRAGIANNIDIS

Vince has done some exceptional things with and without the footy this year. He is a very skillful player with excellent ball skills. Vince possesses a good football brain. On many occasions he has sacrificed the opportunity of gaining another possession for himself to cover a team-mate's opponent. One of Vince's strengths is that he knows when to attack or when to defend. A great year as our Vice Captain.

BEST UTILITY NICK ROBERTSON

Nick worked very hard around the ground for us all year. He displays an enormous capacity for hard work. One highlight was his game against Noranda when he restricted the available space to the opposition's best player and we won the game. Was used in many positions as well as a "run with" player. Fix that knee up, Nick.

MOST CONSISTENT ADAM SEAL

Adam has worked very hard on his ball skills this year and they have improved quite significantly. He is prepared to commit his body and run hard to the contest. He kicked quite a few goals and has lengthened his kicking. Worked well in the centre bounces and around the ground. Well done Mate.

AWARDS

UNDER 15s

1998 has been a terrific year for Under 15's, winning 11 games, losing only 2 and finishing second on the Premiership Table. The most important factor is the fantastic improvement in the skills area and maturity shown in team discipline and application.

The influx of players from Osborne Park, and to a lesser extent, Mt Lawley and Noranda, gave us much needed depth which this side lacked since Under 13's.

Our captain, Cameron McDonald, was an inspiration to his team mates, together with vice-captain Lee Blake's huge influence in important games, gave players around them confidence. Our most memorable performance was our last game against Ballajura, where the players really lifted to snatch a great victory in the dying moments of the game.

I had strong, full attendance at training all year and many expert coaches to give the players another opinion on the game.

This has been easily the most satisfying year I've had with the Bombers, tremendously assisted by Assistant Coach/Runner Ken Higgins, and unbelievable support from First Aid Man and Team Manager, Robert Bonolo.

I wish to also thank our President Errol Couch for unqualified support and John Carrod, who was with us all the way.

FINALS COUNTDOWN

The Under 15's lost the second semi against Ballajura then held off a most spirited Marist to win the qualifying final by 7 points. We then advanced to the Preliminary Final to meet Ballajura once again.

On this occasion we won in what can only be described as a crackerjack game of football. Our players were magnificent in their two victories and played exceptionally well as a team.

Players who stood out in both these victories were Cameron McDonald (Captain), Lee Blake (Vice Captain) Ben Crawley (Full Back) VJ Johnstone (Forward Flank) and Tori Graneri (Wing), Frank Bonolo, Natham Newbey. All other players had even contributions throughout all 3 games.

HOORAY, WE REACHED THE GRAND FINAL!!! After a moral boosting victory in the Preliminary Final, and a great week at Training, Players Tea, etc., we built ourselves up for a great contest against Noranda.

We held Noranda until half time only to find that they came out in the 3rd and 4th quarters with some brilliant passages of play. Whilst we had a few players down, we were not able to match them in any position. They ran out comfortable winners.

Best Players were Lee Blake, Cameron McDonald and Ryan Stacey. I believe our players came a long way from last year to reach the Grand Final and have now learnt that it hurts to lose a big game such as this. Providing we learn from this game, I hope the players can go one step further next year.

Thanks again for all the support throughout the finals by the parents, Errol Couch, John Carrod, Robert Bonolo and Ken Higgins.

CHARLES MUSCA
COACH

UNDER 15s

FAIREST AND BEST CAMERON McDONALD

I can't speak more highly of Cameron. For years, since I coached him in Claremont Combined side, we hoped that one day he would play in my side and for our Club.

Cameron has had an outstanding year, polling votes in almost every game he played. His courage, determination and "get the ball at all costs" attitude lifts the team to great heights.

I'm sure Cameron still has a lot of exciting football ahead of him.

RUNNER UP SHANNON DODD

From being the team's Most Improved Player last year, to this year being Runner Up, is a huge increase in application and desire to improve himself.

Shannon played a big role as a solid Half Back Flanker showing dashes of speed and aggression when turning defence into attack. Shannon had a big influence in the side's improvement this year, being one of the first players picked each week.

If Shannon continues to improve, he can go one step higher next year.

OUTSTANDING PLAYER AWARD ROCCO PAPALIA

This fellow played some scintillating football on a wing, reminiscent of Phil Kelly's two big seasons for East Perth when winning two Sandover medals.

Rocco's speed, skill and penetrating kicks into the forward line gave us all a thrill on match days. Some of his clashes with other highly skilled and respected wingers were things that we may see in the future at a higher level.

Rocco now has to work on the other side of his body to be the complete footballer.

BEST UTILITY LEE BLAKE

Lee was just sensational in most of the key positions all year. He played Centre, Centre Half Back, Centre Half Forward and Ruck, showing a polish in skills that very few 15 year olds have.

He is skillful both sides of the body, takes a strong mark and kicks the ball over a long distance, as much as 55-60 metres.

I predict a huge future for Lee, provided he works on his pace and continues his tremendous desire and love of training and football in general.

Lee attracts the attention of Umpires because of his most noticeable attributes and leadership qualities.

COACHES TROPHY - MOST COURAGEOUS JAMES WATERS

James has been a treat to watch playing as a Rover/Half Forward. He has pace, tenacity and a "never give up" attitude.

James' kicking can sometimes go astray, however he makes up for this slight deficiency with his tremendous first, second and third efforts. James has been a delight to coach with a keen interest in his training, respect for team mates and generally a popular player amongst team mates.

Continue the good work James.
