## REPORT

Towards the end of last year I had the honour of being elected President of The Bombers Junior Football Club. I have to admit it was not a position that I actively sought. In fact I took on the job somewhat reluctantly, purely because there were no other takers and I did not want to see the club go leaderless into the 2001 season.

Now, with the season coming to a close, I can look back and say that it has been for the most part an enjoyable and rewarding experience; it has also been hard work at times! My hat goes off to my predecessor, Errol Couch, who spent four years in the position and did such a good job. Errol, you were certainly under-appreciated! I just hope my efforts have come somewhere close to yours.

This year has been something of a period of "taking stock". Due to various circumstances the club lost quite a few senior players from the previous year, which left us unable to field teams in the 13s, 15s and 17s grades. This, in turn, had a substantial effect on the club's finances so we were forced to operate to a stringent budget, at all times trying to minimise our outgoings while attempting to boost our income through sponsorship and fundraising. I am very pleased to say we appear to have weathered the storm and the club's financial position at the end of the season looks secure. I would like to thank all our sponsors for their support and all players and parents who took part in the Chocolate Drive.

Player numbers in the modified rules grades (9s-12s) were generally good, we were able to field at least one team in every grade. Numbers in Auskick (6-8s) were a little disappointing and this is an area the club will have to pay more at-

tion to in the future – these are the Bombers players in the making. The Standard Rules (13s-17s) is an area of major concern, not only for our club but also throughout the Central Districts area. The dropout rate between 12s and 13s is alarming and matters do not improve in the older grades. The Association and its member clubs are currently giving this their active consideration, in the hope of coming up with some solutions. Only time will tell!

Finally, I express my thanks to all the coaches, managers, administrators and canteen personnel who have played their part in guiding us through another season. I make special mention of John Rompotis for his superhuman efforts in fundraising; Matthew de la Hunty for taking on the Secretary's job as well as team manager and, on occasions, coach; and Kevin Hall who also combined the Treasurer's position with his coaching duties.

As you can see, the club urgently needs a few more volunteers from among the ranks of the parents. The old saying "Many hands make light work" was never more appropriate than when applied to running a junior footy club. So, come on, parents, let's see a good roll up of new faces at our Annual General Meeting on Monday 8th October. You never know, you might snag the President's job!

My best wishes to you all for the rest of the year. See you again for season 2002!

## PRESIDENT'S TROPHY

**MATTHEW DE LA HUNTY**

Matthew took on the onerous position of Secretary at the beginning of the year as well as being the manager of one of our 10s teams. Matthew has come up trumps in both positions, but this well-deserved award is made for his fine efforts as Secretary. He has consistently made sense of what has gone on at our committee meetings and produced the finest sets of minutes ever seen at this club. Good club secretaries are as rare as hen's teeth. Well done Matthew!

## DOUG MCGREGOR AWARD

**JOHN ROMPOTIS**

John was our sponsorship and fund-raising representative for 2001. It is fair to say that, through John's efforts, the club's financial position at the end of the season is on a sound footing. Almost single-handedly John raised over \$4000 by way of sponsorship and the famous (or infamous!) Chocolate Drive.

Not content to just raise money, John also took on organising our very successful Chinese Night, despite having a very busy work schedule. Thank you, John, for your tremendous efforts!

## EAST PERTH DEVELOPMENT SQUAD

This year the following Bombers players were nominated for the East Perth 14s Development Squad:

**LEIGH CATANIA  
SIMON DEY  
PHILIP GREANEY  
JAMES RAESIDE**

**MATHEW SEAL  
MATTHEW SIBLEY  
PAUL SISSON  
CAMERON WATKINS**

Unfortunately, Simon Dey has incurred a serious injury, which will prevent him from joining the squad. Matthew Sibley is only 13, so his nomination is a real feather in the club's cap.

Mention should also be made of Bomber Life Member Robert Bonolo, who will be squad trainer.

In addition, Jon Christos and Damien Harvey were nominated for the Swan Districts and Subiaco development squads respectively.

Congratulations to everyone!

## REPORT

The Bombers playing strength for the 2001 season was as follows:

Auskick	33
9s	19
10s	32
11s	22
12s	35
14s	22

TOTAL 163

The total of 163 active registered players represents a decrease of 28% on our 2000 strength. This year there was a substantial drop in numbers due to a lack of sufficient players in the 13s, 15s and 17s age groups, which meant we were unable to field teams in those grades. The general drop off in numbers in the standard rules grades is alarming and clubs may have to look at some form of amalgamation or sharing of players in the near future.

New registrations for the year totalled 60 over all grades, a decrease of 29 over last year. This is in line with the club having three less senior sides this season.

Strong registrations in the 10s and 12s enabled us to field two teams in each of those grades. While the 10s teams sometimes struggled to field full-strength sides due to absences and illness, the 12s sides were very stable and should ensure we field at least one 13s team next year.

# UNDER 9s

The 9s were represented by the following players:

Jack Boronovskis • Joshua Chiat  
Michael Corica • Simon Douglas  
Brendan Ford • Joshua Georgieff  
Patrick Harman • Patrick Keefe  
Nelson Lyall • Daniel McSweeney  
Joseph Mirauda • Alex Platt  
Alec Sara • Mark Schaafsma  
Mathew Schmidt • Jake Steed  
Peter Thomson • Ethan Timeus  
Jack White

This year we had a great mix of players, with some coming up from Auskick, some current Auskick players playing up an age level, and a group of 9 year olds who played up a year last year. They were able to work together and help each other improve their skills.

It was also great to welcome a number of new players to the club, which augers well for the future.

As a group the boys proved to be extremely enthusiastic in their approach to both training and games. It was a real pleasure to watch them improve week by week in their efforts and skill levels. Whilst no scores are kept, I can say that we were competitive against every side in the competition, and if we did "lose" any, it would not have been from lack of endeavour. I can also say that we enjoyed every single game we played regardless of conditions, competition, etc.

I would like to also take this opportunity to thank my support team, particularly Vince Mirauda who stepped in at short notice to take over the coaching role during my absence for 6 weeks. We subsequently decided to jointly coach the team, which, I am sure,

was instrumental in improving most of the kids' skill levels, as we were able to devote more one-on-one time to each player. Our manager, Graham Keefe, was also extremely helpful, particularly as this is his first year with the club.

Finally, to all those parents, grandparents, friends etc who helped with washing jumpers, goal umpiring, time keeping, canteen duties or just plain turning up to the games and supporting our team, we and the kids really appreciate it.

Just on the issue of supporters, I also congratulate every one of you for your attitude and behaviour at the games. In this day of the "ugly parent syndrome" it was great to see our people set an excellent example to all of the kids and some of the opposition players and supporters.

I look forward to seeing everybody back next year. I believe that with the teamwork and spirit shown by the players, they can form a strong team for many years to come.

## COACHES REPORT

The team for the 2001 season was as follows:

Martin Astbury • Shan Barr  
Sam Bosustow • Jack Bryant  
Alex Bunting • Gene De La Hunty  
Max Fairclough • Luke Field  
Kenneth Forsyth • Travis Hitchcock  
Michael Jashari • Brendan Klemm  
Scott Moody • Michael Nguyen  
Vincent Oliveri • Adam Rompotis

Under the guidance of coach Paul Bunting the boys have had another great year. Most of the players are in their fourth year with The Bombers and have been teammates since Auskick. This has led to a strong sense of team spirit within the group. This season they have started to play as a team more than ever before. Looking for a target, handballing to a player in the clear and generally supporting one another have become features of their game. It is very exciting to see the individual and team skills the boys have been developing over a number of years now starting to come together. The team has earned healthy respect from opposing sides for their competitiveness and, more importantly, their sportsmanship. I am pleased to say that our players and parents always conduct themselves within the spirit of the game. Often playing with less than a full side, the boys' desire for the ball leads to a game of an extremely high standard for their age group.

The highlight of the season was a Friday night game at Ballajura, played under lights in front of a HUGE home crowd. The boys played a great brand of football and earned the respect of all concerned. Their traditional post-match song rang out into the night; they were great ambassadors for the club.

There are a number of very skilled, consistent players in the team who have gone from strength to strength this year, but most gratifying has been the all-round improvement of some of our smaller, less-sighted players who

have really stood up and made outstanding contributions. There have been a number of new additions to the team and it is wonderful to watch the way these players have been incorporated into the group.

Paul has had a difficult season with work commitments and I would like to thank the other coaches who have helped out during the season, particularly Travis Stewart from 10s Black, John Rompotis and Dominic Spadaccini. With my additional post of club Secretary this year, I have had a lot more on my plate this season, so, more than ever, I appreciate the support of those parents who are always willing to help with the various team duties. I thank you on behalf of your children.

I have discovered first-hand this year just how much goes on behind the scenes to keep the club in operation. I would encourage all parents to consider that there are many ways you can help the club, limited only by your imagination; every small contribution makes a big difference. Some coaches are doubled-up with administrative positions, which makes for a very busy season; other office bearers no longer have children with the club. It is up to us to fill the gaps if the club is to survive and prosper. It would be great if we were able to strengthen the committee next year with input from parents from the younger teams – we are the future of the club.

Finally...team sport is a great character builder for kids this age, so we hope to see all our players back next year. To all the players I would like to say – congratulations on your performance this year, you have done your club proud. If you have friends at school that might be interested in playing footy, please try and encourage them to come along next year!

**MATTHEW DE LA HUNTY**  
Team Manager

# UNDER 10s BLACK

The team for the 2001 season was as follows:

Daniel Ainsworth • Daniel Shotton  
Nick Carney • Todd Smith  
Dean Cokis • Scott Stewart  
Ryan Corbett • Aaron Taverniti  
Mark Janssen • Mitchell Turner  
Blake Jarvey • Troy Thornton  
Michael Manus • Sebastian Wright  
Thomas McGregor • Jake Rizzi  
Sue Rizzi (manager)  
Travis Stewart (coach)

The beginning of the season started off with some heavy training sessions and two new faces were introduced to the club.

With a constant shortage of players due to injury and families moving interstate the players have to be credited for their incredible determination and hard work over the 2001 year. They played on Saturday mornings against some tough opposition and only lost a few matches by very small margins. The improvement from last year in their ball skills and team effort was something to be proud of and they all gave their very best which reflects on the club.

I would like to thank the under 9's for their assistance with providing players, when available. Vince Mirauda was always willing to help when he could.

The parents have been very supportive with their help on rosters drawn by my manager, Sue Rizzi, and I would like to thank them all. They are a great crew of people who have a wonderful sense of humour which makes every week even more enjoyable. This reflects on the boys when they see a happy, relaxed environment but an encouragement to be competitive while having fun.

It is a healthy way to view any sport. The comments from parents this year on the boys' progress has all been very positive.

I have aimed at constantly having the boys handle the football while at training sessions and rotating the players in their positions on match day so they can experience an all round feel for the game and be confident with the skills they have learned. At times there were complaints of their positioning but they soon realised the importance of knowing how to play in all areas of the field as it helped them to understand the game plan from a different position, which can only benefit them long term.

I am very proud of the boys and once again would like to thank all parents for their support this year.

COACHES REPORT

# UNDER 11s

The team for the 2001 season consisted of the following players:

Daniel Allsop • Jake Heywood  
Owen Baigent • William Hunter  
Cheyne Boekelman • Nicholas Jones  
Wes Bowley • Chris Passaris  
Dean Broers • Julian Peet  
Daniel Bruce • Joshua Perling  
Nicholas Coles-More • James Rippon  
Nicholas Depierre • Stuart Sara  
Michael Georgieff • Joshua Smith  
David Hall • Kane Stack  
Zac Hardie • Paul Twyman

The 2001 season has come and gone and I am sure everyone will look back with fond memories of a very exciting and hard-fought competition.

Way back in March when recruiting was in full swing the 11s team was looking a bit shaky. It looked as though there would be a bare minimum of players. My first thoughts were, at least everyone would get plenty of game time each week. On the other hand, sickness and injury could prove to be a problem. So the word was spread about our great club and, before long, we had twenty-two keen young footballers raring to go.

As in past seasons, I have tried to instill in all players, no matter how good they may be, that training is essential. The boys responded extremely well and attended with enthusiasm, sometimes a little too keenly and we all ended up running "the hill". In the future I'm sure the boys will remember "the hill" and have a good laugh – it wasn't that big, after all! Once the boys entered the change room on match days they switched on immediately and were as keen as mustard. They

showed everyone they had been listening at training and produced great skills and sportsmanship in every game. Although no official scoring was done, the boys always knew the "score" and we kicked a higher score than the opposition more times than not. I was pleased to see all players have a go each week no matter what their skill level. Their attitude was "never give up".

Fortunately for the coaching staff and parents wet wintry conditions were never really a problem, so the skills learnt at training were seen during the games. It was pleasing to see each and every player grow in skill level and confidence throughout the year.

Thank you to all the parents and those who helped at training, at games, on canteen roster, jumper roster and any other task that needed to be done. Without your assistance we would not have been so successful. A special thank you to my Manager, Vic Georgieff, for a great season, he was there each week doing all the behind-the-scenes work. Well done, Vic! Thanks also to my runners, Ramon More and Viv Hunter, who carried messages and provided great on-field encouragement.

Thank you to The Bombers J.F.C. for giving me the opportunity to coach and, finally, a big thank you to all the players. You really are a great bunch of boys. I urge you to continue playing football with The Bombers next year, it is a great club and they need your support.

See you all in 2002!

**KEVIN HALL**  
Coach

# UNDER 12s BLACK

The team for the 2001 season consisted of the following players:

Scott Busacca • Mykel Cavanagh  
Matt Chesny • Daniel Corica  
Peter Crocker • Rory Curtis  
James Doyle • Adam Durant  
Aaron Grant • Scott Horsburgh  
Reece Hoskinson • James Moody  
Erosin Mullaj • Paul O'Connor  
Robert Prast • Peter Pullella  
Sean Robson • Shaun Waldock

Bombers 12s Black started the 2001 season with the entire 17-man squad from the 2000 season and one welcome addition from the 1999 season who had taken the year off to rediscover his passion for football. That fact is, of itself, testament to all previous coaches (and managers) involved with this group of players. Further testament is provided by the fact that all 18 players who started the season finished it, and look set to continue in 2002.

The development of the player group as footballers and young men has been obvious to all those people involved in observing matches, training and off-field activities. It is often overlooked that the goal of a junior football club and the teams in that club is to develop people as young men as well as footballers. If that is the yardstick the 12's Black have achieved success on both fronts.

Throughout the season the players have enjoyed all the things that traditionally go with a real footy club. Not only did the players take it one week at a time (is there any other way?), they kept their eye on the ball, bled for the jumper, bobbed like corks in the ocean, kept their feet, got numbers to the ball, didn't worry about the scoreboard, had their hands on their man, ran hard at the ball, were centimetre perfect, didn't waste an op-

portunity, kicked long, and most importantly treated victory and defeat as the same imposter.

All of these great efforts would not have been possible without the efforts of many people but four, in particular, deserve special mention:

1. Shaun's Dad who, as manager, devoted hours to the meetings and paperwork required of a modern day manager.
2. Aaron's brother who, as runner, delivered my inspired rantings with speed and accuracy.
3. Paul's Dad whose unfailing enthusiasm to don a white coat and be abused for an hour on a Saturday morning is a joy to me and a concern for some.
4. Robert's mother whose culinary skill made half time a delight and whose patience and tolerance over 20 years has made my life bearable.

With any luck this group of players will stick together through open rules grades and continue to develop as players and mates. Thank you to all the players and parents for giving me the opportunity to be part of the process.

See you all next year.

# UNDER 12s RED

The team for the 2001 season consisted of the following players:

Jian Barr • Jason Bunting  
Daniel Const • Callum Denness  
Luke Douglas • Ben Fairclough  
Stephen Johnstone • Perry Marvelli  
Mark McIlhagga • Thomas McMahon  
Jade Newton • Shaka Repon  
James Ryan • Alex Schaafsma  
Angelo Spadaccini • Cameron Tilley  
Kim Wong • Trung Tin

The boys had a great season, with all members of the team showing great improvement in their game.

The boys played some sensational games this year, with a lot of really good “play-on” football. Different players performed well each week, with two new members of the team fitting in really well, namely Mark McIlhagga and Jian Barr.

Our “big men”, Perry Marvelli, Alex Schaafsma, James Ryan and new boy Jade Newton, all had a fantastic year. Perry and James made consistency a big part of their game, whilst Alex amazed me with his ability to move like a rover.

Steven Johstone headed our “gutsy player” department, with more than able assistance from Ben Fairclough and Luke Douglas. Kim Wong, Daniel Const and Thomas McMahon were not afraid of going in either and all of them hurt opposition sides at one time or another.

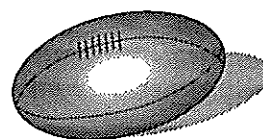

Jason Bunting, Angelo Spadaccini and Callum Denness were all big improvers this year, with Angelo playing all over the ground. Cameron Tilley amazes us all

with his “speccy” marks and Shaka Repon, battling a foot injury for a large part of the year, gave it everything, as usual.

The side, like last year, was a pleasure to coach and I would like to thank the boys and their parents for the support, with special mention of Leo Schaafsma for attending so many training nights, being our runner most of the time and being really good with the boys; and Peter Tilley for his great support at games and his calming influence. I would also like to thank Mal Fairclough for being a really good Manager and for his assistance at training.

To all the boys in the team, well done! You should all be proud of your efforts this year and I hope to see you all playing for The Bombers next season.

**GAVIN DENNESS**  
Coach

# UNDER 14s

The players have had a very successful season, measured in terms of improvement in their skills and tremendous passages of play on match days.

We have won 9 games, lost 7 and come very close to defeating three sides above us on the ladder. The last of the home-and-away fixtures had an exciting finish, with The Bombers kicking eight goals in the last quarter, very nearly snatching victory against the top side in the competition.

We have some very exciting players and prospects for the future, led by our captain, Mathew Seal. We were unfortunate to lose our ruckman, Simon Dey, three weeks before the finals. Our season was hampered at times by having only 15 or 16 players available, which makes our efforts even more meritorious.

My thanks to team manager and runner Tony Catania, assistants Phil Seal and Mario Putrino, boundary umpire Chester Caine, and Jim Raeside who always offered POSITIVE feedback.

I had a most enjoyable season and am thoroughly looking forward to coaching this exciting team in the finals.

**CHARLES MUSCA**  
Coach

## FAIREST AND BEST

### MATHEW SEAL

Mathew played outstanding football every week as a centreman/ruck rover, displaying skills way above most 14-year olds. He has a very strong mark, accurate kick and reads the play to the team's advantage. As team captain he lead by example, and was a treat to watch each Sunday. Well done, Mathew, you have a great future!

## RUNNER-UP

### LEIGH CATANIA

All teams need a player with guts and determination, and Leigh is hard at the ball the player who has it, giving him an important role in the side.

Leigh also kicked some fantastic goals, playing mainly at half-forward, on the wing or as a rover. He is a great team player with a lot of potential and spirit. Exciting stuff, Leigh!

## BEST UTILITY PLAYER

### CAMERON WATKINS

Cameron filled so many roles in our side, including centre-half back, centre ruck, full forward and ruck rover. He gave us physical presence with his height and strength, always battling to give the team the edge in tough games. Cameron knows which skills he can improve upon to make him a vital player next year. Great season, Cameron!

## BEST POSITIONAL PLAYER

### MATTHEW SIBLEY

Matthew is one of the youngest players in our team, playing at centre-half forward, well known to be the most difficult position on the ground. He played fantastic football, displaying aerial skills way beyond his years and kicking truly, averaging 3 to 4 goals a game. At only thirteen, this player has enormous potential to go on to bigger and better things over the next few years. Tremendous effort, Matthew!

## COACH'S TROPHY

### DAMIEN HARVEY

Damien displayed great defensive skills in our back-line, marshalling the defence to hold up attack after attack. His kick-outs were accurate and his reading of the play often gave us a springboard to turn defence into attack.

Damien shows maturity beyond his years in many areas of his game and fully deserves this trophy, being a very valuable team member. Good luck with next season, Damien!
