# PRESIDENT'S REPORT

Dear Parents,

Season 2004 has finally come to an end and it is with great pride that I report on a rather successful 2004 season. This year saw an expanded and more exciting competition known as the Royals Junior Football competition run under the auspices of the East Perth District Development Council as part of the WA Football Commissions plan to try and increase the number of boys and girls participating in Australian Rules Football.

This year saw the introduction of new clubs to our competition like Lansdale, Girrawheen, Cardinals, etc to name a few. The cut off age for players this year also changed to September 30.

This means that any child who has a birthday after that date will be eligible to play down an age group if they so desire.

This year we fielded teams in all age groups from Auskick to 17s including two teams in the 9s age group. In total we had just under 250 boys and girls registered at our club an increase on just over 25% on last year. All our Junior grade teams had successful seasons with all boys and girls improving their skills and enjoying their games. In the youth grades all teams managed to have significant victories throughout the season with our 13s the most successful winning the 13s Country Carnival played during the mid year school holidays and taking out the "Lou Mirando Cup" a challenge match played between Bombers and Ballajura. They are also playing in the finals of that competition this year. Our 14s – 17s won many games and were unlucky to miss out on the finals.

This year due some excellent fundraising, sponsorship and good financial management the club is in a sound position and was able to purchase jumpers for four of our teams with the remainder to be purchased for next season. We also provided teams with additional funds for extra sausage sizzles this year and related activities. The club is also looking to install some new floodlight towers at the oval to provide more adequate lighting so that the reserve can become a safer and better training facility for everyone.

The club is also in a better position with all youth coaching positions filled for next year and most of the junior grades. The club always welcomes more parents to become accredited coaches and managers.

Next year we will require a new Treasurer as our hardworking and dedicated Treasurer of the past three years Kevin Hall will be returning to coaching. Likewise, a new secretary is also required, with Matthew de la Hunty also moving onto other roles after 4 years. The club sincerely thanks both Matthew and Kevin for their dedication and hard work. The healthy position of the club is due in no small part to the contribution of these two men.

I would also like to thank Chris Prast one of our coaches for the significant contribution he has made in the coaching area to our club and many of our boys are better footballers as a result of his coaching prowess and knowledge.

Special thanks must also go to all coaches for 2004. Without their commitment and hard work your boys would not be able to play football. I would also like to thank the many people involved with the committee who have supported me, provided guidance and kept me in check when I needed to be. I would just like to say from myself personally and on behalf of the club thanks to:

**Chris and Jenny Sara,  
Keith Henneker  
Errol Couch  
Charles Musca  
Jim Vellios**

**All the managers, our social committee of Linda Henneker, Karen Surace, Kendall O'Reilly & Melinda Mirauda.**

**Special mention must go to Kendall for a great job as Canteen coordinator and who never let me down on match days.**

**Please bear in mind that the club cannot continue to survive without the support and assistance of parents and friends. To all of you I thank you very much and hope that out there somewhere someone will be kind enough to take over the following positions which have become open for season 2005.**

**Treasurer  
Secretary  
Property Officer  
Coaching Coordinator**

**Thanks to careful financial management, it is anticipated the club will not increase its fees for season 2005:**

**Auskick - \$60 (inclusive of fundraising levy, AFL Auskick pack and Insurance).**

**9-12s \$80**

**13-17s \$100**

**Family (of 2) 9-12s - \$140**

**13-17s - \$180**

**(all fees include the fundraising levy)**

**Finally it is important for a club like ours to succeed that there is greater parental involvement at all levels and in particular on match days. If you wish to assist in any capacity please advise the club or speak to your team manager. We are always on the lookout for team managers, canteen helpers, goal umpires, people to assist the committee etc.**

**In closing I wish you all a happy and successful year with our club and hope that your child's junior football forms one of many social outlets not only for your child but for yourselves as well. I look forward to seeing you all back next season.**

## REGISTRAR'S REPORT

240 players were registered this year, enabling us to field two 9s teams, and a team in every age group up to and including 17s. The Auskick numbers were up this year, with 62 players; 9 of whom went on to play in the 9s teams.

It has certainly been a steep learning curve for me this year, but now I know the ins and outs of the job and the computerised system, I look forward to continuing next year (with an even better system!).

I suggest that the club consider dropping the red stripe from the shorts for next season. I think there would be a lot less headaches about correct attire.

Below is a list of the numbers of games played by all players in the junior grades. We anticipate many milestone games next year as many players are not far from reaching their 50s and 100s. Running through the banner for your 50 or 100 is a great achievement and represents a valuable contribution to your club.

Hope to see you all back next year!

## AUSKICK REPORT

The season began the first week after the April school holidays in which approx 45 kids were involved on our first night. The kids were split into groups and were shown the basic fundamentals of our game for the first couple of weeks. On the third training night whilst the kids played a grid game we had a parents in service session with Mr Gavin Rose our East Perth District Junior Officer and the parents were shown a few tricks with a footy as well, a few laughs were had by all.

Our first big outing was in late May when we ventured to East Perth's home ground, Leederville Oval, to play a display grid game at half time of the East Perth v's Claremont league match. We had 45 kids and their parents turn out for the games and the air of nervous anticipation amongst the players was exciting and the proud look in their eyes as they ran onto the oval was something to remember. The fifteen odd minutes we had to play our game seemed to go forever, yet when the siren went it was a sudden "oh we've just started" feeling, but the kids, once back in the rooms, were quite satisfied with their efforts and thrilled for the opportunity to play on the "Big Boys" turf. A good afternoon had by all.

The next couple of weeks we did fundamentals training leading up to our club family day in which 35 boys and girls played a couple of grid games to get the day rolling.

June saw us travel to the home of the Morley Bulldogs for our first interclub match and we had a great turn out of 40 players and the kids really did themselves proud and showed the opposition that we could play good footy.

The next few weeks was back to the grind teaching different skills and we continued training during the July school holidays where about 25 players turned up on each night.

At the beginning of August we had our first "FOOTY BUS TRIP" to Bayswater Bears ground where the kids really had their first taste of winter conditions that can be experienced with this sport. As the heavens opened up several times during the game kids could be seen shivering, sliding in the mud, looking towards mum and dad with that "can we go now" expression and just the drowned rat look but truly their wet weather skills were unbelievably great. At the end of the day the kids proved they are learning and putting their skills together magnificently. (One thing should be remembered from this game is that up until this weekend we had seen rain only once (for about 10mins) for the whole footy season the funny thing about that was they all ran off the training track when the first spot of rain came down. It was very amusing to watch them scatter that night.).

Our last interclub game was against Nollamara Cougars at our ground on a cold but beautiful sunny mid August morning in which about 35 kids turned out and had a great time and again showed some excellent football skills.

Our season will culminate with a presentation day windup which will start with a grid game to finish off the season.

We had 58 kids for the season (18 up on last year) which is great for our club and football's future.

The season has been a very productive one and on reflection looking at the kids progress is very satisfying especially the 5/6 year olds, the 7 young girls and the couple of kids in general who until this year had never picked up a footy. Well done on your efforts. For the older kids who have been around the club this their second or third year your skills have also been great to watch and the way you have set an example for the younger kids with the enthusiasm and positive attitude that you've shown throughout the year. Well done.

Thankyou to the parents who have helped out during the year with training and at grid games as being my first time doing this having some help is essential so that everything runs smoothly. To Kendall for her tireless work organising stock for sausage sizzles when needed thanks very much. See you all hopefully next year.

## 9'S BLACK COACH'S REPORT

What a fantastic year it has been for the Bombers Black, were not sure about everyone else but we (Brad and Jacqui) sure had a ball!! It was our first season and these kids have gone from strength to strength, as I'm sure you all will agree the improvements made by all the players have been amazing and they have grown as a team we can all be proud of. We would also like to thank the parents for all pitching in with the roster (and if it wasn't for Darcy we would have never eaten all of those oranges!) and making Brad and I feel so welcome into the Footy Family. We will be back next year so have a wonderful break...

Now just a little about each of the players from their coach....☺

**Nathan Anderson** – Tough backman of the future, the orange ruffly. Doesn't say much, actions speak louder than words.

**Lee Beaty** – I don't think I have heard Lee speak yet, but he knows the language of football. Seems like every week I wanted to give him best player certificate. Great all round skills.

**Jeremy Begg** – fastest player on the field every week, seems to pop up everywhere, grabs the ball and then he's off.

**Jordan Bowker** – the only thing that Jordan loves better than a question and answer is his footy. Plays his game with no fear. One of the best ball getters.

**Mathew Brajkovich** – Mathew has really built his confidence over the season and readily getting involved in lots of the action.

**Jackson Grubb** – most passionate player on the field, Jackson plays with his heart on his sleeve and gives his all in every game.

**Max Harringer** – has a great drop punt, great hand ball skills and really seems to love the Wednesday training.

**Michael Houston** – he has the ability to turn the game when he decides to. Michael has good leadership qualities.

**Darcy Lyall** – Darcy has skills beyond his years, his heart is as big as he is and a real protector of his team mates.

**Sam McNiece** – one of the most improved players this year, he is determined and enjoyable to watch. He came into his own the day he made captain.

**Cameron McSweeney** – good hands, good feet, loves a goal and had a fantastic hat trick (three great games in a row).

**Stefan Mirauda** – kicked more goals playing fullback than any other player throughout the whole year! The youngest player and great ball skills (the Sampi of the future).

**Campbell O'Reilly** – Campbell started the year a little shy but it wasn't long before he became hungry for the ball any time it was in his vicinity. Gained mostly confidence.

**Jay Trinca** – more marks of the year than Ashley Sampi and Jeff Farmer put together! He's not a bad kick either.

**Thomas Watson** – loves a goal.....loves a stretch.....loves a high five. A real star.

**Brad Sumpter**  
9s Black Coach

## **9's (RED) COACH'S REPORT**

Coaching the 9's Footy Team was a new experience for me. Being a mad footy fan and unable to play, coaching was the next progression for me. After a shaky beginning my team and myself found their feet. Every Wednesday, the boys would arrive at training as soon as possible to practice their kicking of goals with the young at heart dads. By the time training began they were warmed up and ready to go. The main skills focused on were: kicking, marking, handballing, picking the ball off the ground and playing as a team. The confidence and skills of each player from the beginning of the year to the end was outstanding.

The team consisted of players ranging from 7 to 9 years of age, they are:

Sam Armenti: "hard runner with telling marks around the ground"  
Elliott Bekkers: "always willing to have a go and a chat"  
"Jordy" Bozich: "provided problems for the oppositions with his strong marks"  
"Matty" Bryder: "loves to kick goals from any position (ie: backman)"  
Dillon Conway: "had a go every week, only casualty with a shoulder injury"  
Liam Conway: "Aus kicker – with fierce determination"  
Eddy Duva: "took numerous saving marks in the back line"  
Corey Evans: "Aus kicker – lots of courage for a little fella"  
David Gileno: "ever reliable, key position player"  
Sam "Jonesy": "first year player who picked up the skills quickly"  
Tristan Kelly: "tried hard, lost him halfway through season"  
Daniel Lenzo: "Aus kicker – has a real crack every week"  
Jason Lopresti: "good skills, elusive and plenty of possessions"  
Joshua Lorian: "shaky start with a confident finish"  
Jared Lutter: "pack busting possessions, big improver over the season"  
Harrison Moore: "Aus kicker – plenty of possessions over bigger opponents"  
Myles Rogers: "never gave up and improved throughout season"  
Zibby Schildkraut "strong willed, passionate team member"  
Anthony Sidoti: "sneaky little forward"

Game day was exciting; the players had frequent moves between offensive, defensive and midfield roles. Many finding a position that suited their type of play. To the player's credit, when required they would don on the oppositions Jumper and play with gusto, they also rotated sitting on the sidelines without complaints.

The end of year wind up party at the Morley RollerDome was a huge success. All players and parents of both Bombers Red and Black had a go at skating and ate all the pizza. It was a lot of fun, so thanks Jamie and Marty for organizing such a great event.

Thanks must be given to the Team Manager Jamie Conway, the dad's for helping out at training and to others who have helped along the way by goal umpiring, washing jumpers, not to mention the oranges, canteen duty and barbeque. Hope to see you all back at the club next year.

**Billy Menegola (Coach)**

## **10s COACH'S REPORT**

**With a limited Squad with lots of talent the 10s had a really successful year in 2004. All players greatly improved their skills over the year and the attendance at training and the games was excellent.**

**The squad consisted of 15 players Jonathon Allen, Con Angelkov, Leonard Beaty, Sean Bennett, John (Jack) Davis, Steven Dick, Thomas Fairclough, Jake Keeffe, Armani May, Jackson Ramsay, Tom Ryan, Patrick Sara, John Shaw, Rhys Taylor and Alec Ziino. A special thanks to Lachlan O'Reilly who helped fill in for missing players.**

**While not wanting to single out individual players I must make special mention of the contributions made by Con Angelkov, Jake Keeffe, Jackson Ramsay and Patrick Sara who showed tenacity and great footy skills to become our major ball-getters. Congratulations to Patrick Sara who notched up his 50<sup>th</sup> game towards the end of the season.**

**Throughout the season the team displayed great consistency and only in a few instances did the team play break down. Certainly one of the strongest 10s teams, the boys always showed a great desire to get the ball. They obviously enjoyed the games and were always enthusiastic at training.**

**The games were well supported by parents and we were often surprised by the level of skill and commitment shown by the 10s. though not one of the bigger teams, we were often faster and more skilful. A great deal of the success of the team goes to Paul Ramsay who enjoyed coaching the team and generously handed out West Coast Eagles prizes to outstanding players. Fortunately there were not too many Dockers supporters on the team! Errol Shaw did a great job in managing the team, making sure volunteers manned the canteen, and assisted with goal umpiring and the cleaning of uniforms. Without the help of volunteers the Bombers would not survive.**

**The season finished off with a great Hungry Jacks lunch and a lightning carnival. Have a great summer and thanks again for all the help especially the incredible amount of work done by Vince Mirauda and Jenny Sara.**

**Jeff Bennett  
10s Coach**

## **11s COACH'S REPORT**

**A rewarding season with plenty of development both individually and as a team. From the start of the season numbers were always going to be a problem however we were fortunate to have Mark Kay and Daniel Magee arrive new to the club and Alex Yates return after a year of soccer. Some unfortunate injuries robbed us of Daniel and James Johnson for a number of games and the team appreciates Patrick Sara and Joseph Mirauda filling for us when they could, not only making up numbers but also giving us the benefit of their considerable talents.**

**It would be fair to say we were more than competitive in most games and had several where we completely swamped the opposition although we were often out numbered. There is a large core very good footballers within this team which grew during the course of the season. Some tremendous individual performances were put on in most games as well as a number of team efforts with the players banding together whenever the going got tough.**

**Training was always well attended and generally approached enthusiastically although a hour scratch match each week was always suggested by several players we did manage to improve our ball handling and foot passing significantly and also had several players develop pretty good non preferred feet. No doubt the training highlight was a visit from Dockers James Walker, Rob Hadrill and Ryan Murphy which gave training a real spark and in turn a big difference the following Saturday.**

**On behalf of the kids (just in case they forget) thanks to all of the parents for their help during the year. Thanks also to Vince, the club and the committee.**

**David O'Reilly**

## 12s COACH'S REPORT

The 12s have had a fantastic year, playing a brand of football that has made them the benchmark of the competition. Congratulations boys. Whilst there is no official score at this age group, and no league ladder, every kid knows the score and is definitely playing for a win. We were fortunate to win all our games except for one early in the season when we were overtaken in the final quarter after leading all game. Additionally we had a couple of convincing Little League wins at East Perth games, and were undefeated in the recent carnival.

Early signs for the year were good with a strong turnout at registration day. Greg Quain came on board as manager and assistant coach, and has been a huge asset. We welcomed 7 new players to the team this year, including strong centreline players Ashley Boyes and Steven Lee, classy defender Jake Dalli, hard tackling Perrin Knezavich, running marking halfback Blake Tilley (returning), clever elusive forward Billy Duncan (moving up an age group), and strong marking Tyrone Gibson. These new players have added intensity and mobility to a quality team which includes:- Scott Stewart, Mark Schaafsma, Simon Douglas, David Quain, Brendan Ford, Sam Begg, Jack Boronovskis, Jamie Doddemead, Paddy Keeffe, Joey Mirauo (54 goals!), Alec Sara, Nelson Lyall, and Josh Georgieff.

Coaching has continued to focus on the three main areas of:- 1) Skill development of each player, including use of opposite hand/foot; 2) Team skills; and 3) Sportsmanship and sense of fair play. This focus is starting to pay dividends. Multiple players are now confident to use their opposite foot (we had 9 players do this in one game alone!), a skill that is crucial to the development of a good footballer. We have shown excellent improvement in team play (back-up, shepherding, run-on support) and in our fast movement of the ball with precise foot passing and handball. The on-field behaviour of all players has been exemplary.

The year has provided plenty of highlights. Particularly pleasing has been the way the boys have won the ball through strong contesting, and when not in possession have put enormous pressure on the opposition (who could forget the game against Mt. Lawley!). Also pleasing has been the way the boys have persisted when things have not gone their way. This was illustrated by several come-from-behind wins, one from almost 5 goals down during the 3<sup>rd</sup> quarter. Our marking, not previously a strength, has improved dramatically over the year, to the point where we are often seeing strong single-grab marks. Players have shown great flexibility playing in a variety of positions.

Next year sees a new challenge:- the transition to full rules on a full ground, official scoring, a league ladder, and Best & Fairest voting. The full ground will suit our running, ball-sharing game, and I am confident that we will adapt well.

Finally, I would like to pay special thanks to Greg Quain for doing a great job, particularly when I have been absent. Thanks also to all parents for their support and help through the year. Let's look forward to singing the club song in 2005.

Graham Begg
