# PRESIDENT'S REPORT

Dear Parents,

Season 2004 has finally come to an end and it is with great pride that I report on a rather successful 2004 season. This year saw an expanded and more exciting competition. The Royals Junior Football competition is run under the auspices of the East Perth District Development Council as part of the WA Football Commission's plan to try and increase the number of boys and girls participating in Australian Rules Football.

This year saw the introduction of new clubs to our competition like Lansdale, Girrawheen, Cardinals, etc to name a few. The cut off age for players this year also changed to September 30. This means that any child who has a birthday after that date will be eligible to play down an age group if they so desire.

This year we fielded teams in all age groups from Auskick to 17s including two teams in the 9s age group. In total we had just under 250 boys and girls registered at our club an increase on just over 25% on last year. All our Junior grade teams had successful seasons with all boys and girls improving their skills and enjoying their games. In the youth grades all teams managed to have significant victories throughout the season with our 13s the most successful winning the 13s Country Carnival played during the mid year school holidays and taking out the "Lou Mirauda Cup" a challenge match played between Bombers and Ballajura 13s. They are also reached the Grand Final and put in a brave effort against their taller, more fancied rivals. Our 14s – 17s won many games and were unlucky to miss out on the finals.

This year due some excellent fundraising, sponsorship and good financial management the club is in a sound position and was able to purchase jumpers for four of our teams with the remainder to be purchased for next season. We also provided teams with additional funds for extra sausage sizzles this year and related activities. The club is also looking to install some new floodlight towers at the oval to provide more adequate lighting so that the reserve can become a safer and better training facility for everyone.

The club is also in a better position with all youth coaching positions filled for next year and most of the junior grades. The club always welcomes more parents to become accredited coaches and managers.

Next year we will require a new Treasurer as our hardworking and dedicated Treasurer Kevin Hall will be returning to coaching. Likewise, a new secretary is also required, with Matthew de la Hunty also moving onto other roles. The club sincerely thanks both Matthew and Kevin for 4 years of dedication and hard work. The healthy position of the club is due in no small part to the contribution of these two men.

I would also like to thank Chris Prast one of our coaches for the significant contribution he has made in the coaching area to our club and many of our boys are better footballers as a result of his coaching prowess and knowledge.

Special thanks must also go to all coaches for 2004. Without their commitment and hard work your boys would not be able to play football. I would also like to

thank the many people involved with the committee who have supported me, provided guidance and kept me in check when I needed to be. I would just like to say from myself personally and on behalf of the club thanks to:

**Chris and Jenny Sara,  
Keith Henneker  
Errol Couch  
Charles Musca  
Jim Vellios**

**All the managers, our social committee of Linda Henneker, Karen Surace, Kendall O'Reilly & Melinda Mirauda.**

**Special mention must go to Kendall for a great job as Canteen coordinator and who never let me down on match days.**

**Please bear in mind that the club cannot continue to survive without the support and assistance of parents and friends. To all of you I thank you very much and hope that out there somewhere someone will be kind enough to take over the following positions which have become open for season 2005.**

**Treasurer/ Secretary/ Property Officer/Coaching Coordinator**

**Thanks to careful financial management, it is anticipated the club will not increase its fees for season 2005:**

**Auskick - \$60 (inclusive of family levy AFL Auskick pack and Insurance).**

**9-12s \$80 (includes family levy)**

**13-17s \$100 (includes family levy)**

**Family (of 2) 9-12s - \$140**

**13-17s - \$180**

**Finally it is important for a club like ours to succeed that there is greater parental involvement at all levels and in particular on match days. If you wish to assist in any capacity please advise the club or speak to your team manager. We are always on the lookout for team managers, canteen helpers, goal umpires, people to assist the committee etc.**

**In closing I wish you all a happy and successful year with our club and hope that your child's junior football forms one of many social outlets not only for your child but for yourselves as well. I look forward to seeing you all back next season.**

# **2004 CLUB AWARDS**

## **Presidents Trophy: Keith Henneker**

In recognition of Keith's outstanding contribution to the club. Through his tireless efforts in recruitment, and in running our Auskick program so successfully this year, Keith has helped lay solid foundations for the club's future.

## **Doug McGregor Award: Chris Sara**

Awarded for his ongoing service and commitment to the club. Chris does so many things around the club on both an organizational and practical level it is hard to imagine how the club would be without his enormous contribution again this year. (Not only Junior coaching coordinator, but also "the rock" for our extremely hard-working new registrar Jenny!)

## **Jeremy Silcock Award: Christopher Swain (17s)**

This award is presented by each year by East Perth in memory of Jeremy, a great clubman and team player. It acknowledges a solid contribution to the team, the club and the spirit of football.

## **Dolph Danti Award (Best Clubman)**

Joseph Mirauda and Alec Sara - 12s

( for displaying sportsmanlike qualities and attributes and for commitment to and assisting the club via fundraising and at club functions and activities)

## **Inaugural Errol Couch Shield for Team of the Year: 13s**

The 13s team is based on a core of players who started together in Auskick. The hard work and team ethic built up in the juniors has lead to a great first season in the youth grades. The much-welcomed influx of talented ex-Cardinals players this year has given tremendous depth to the final squad of 25. The 13s had a very successful season in reaching the Grand Final, winning the East Perth Country Carnival and also the Inaugural Lou Mirauda Cup. However this is only a part reason for their selection for this award. The boys have a reputation for their good sportsmanship towards opponents and have consistently shown respect for umpires at all times. Through their exemplary conduct and good hard-at-the-ball footy, they gain respect wherever they play. Congratulations to all the boys, you are a credit to the club. Keep up the good work next year.

*Congratulations to our club Trophy and Award winners for season 2004*

## 13's COACH'S REPORT

The under 13's had an awesome year, finishing second at the end of the home and away series and brave runners up in the Grand Final.

This year our numbers were boosted by boys from the Cardinals; Peter, Joseph, Jack, Jake, Daniel, Tim, Kyle, Kale and Travis joined us and added lots of class to our makeup.

The boys chose the leadership group. Luke was elected captain and Peter and Brendan vice captains.

There were plenty of highlights of the year. The boys won their division of the country carnival, going through the day undefeated. They wrapped up their team goal of qualifying for the finals with a win over Morley in round 10, and then ensured they'd qualify for the double chance with big wins over archrivals Bayswater in Round 14 and top team Northern Cobras in Round 16.

The Northern Cobra's got their revenge with a big win in the 2<sup>nd</sup> Semi Final but we were much too strong for Landsdale in the preliminary final before going down by just 17 points in a hard fought Grand Final.

Michael J and Martin played their 100<sup>th</sup> game this year, and celebrated the occasion with plenty of enthusiasm.

The boys have a great foundation for success in future years. Lets hope they stay together, keep enjoying the

game and keep singing the Bombers song with gusto!

The coaching duties were a team effort this year, thanks to Brenton Corbett and Josh Jashari for their hard work. Thanks to Mat de la Hunty for managing the team yet again, Peter Klemm for running duties, Lex Payne and Kelvin Sharpe for umpiring duties and all the other parents who helped out in various ways.

Congratulations to all our team Trophy Winners. I can only reinforce whilst we have had some great individual performers this year, it has been the commitment and team effort from the full squad of 25 that has been the success story of our season.

Well done to Peter Athanasiou, Kale Sharp and Luke Field who polled 4<sup>th</sup>, 6<sup>th</sup> and 10<sup>th</sup> respectively in the District Fairest and Best count.

**Rod Astbury**  
Coach

*A special mention for Wendy S and Carol M, for their efforts in the canteen and Miles for the best sausage sizzles around.*

## 14s COACH'S REPORT

2004 was a tremendous learning curve for the players, who met some extremely talented and skillful Western Suburb Teams. On most occasions we found ourselves under pressure on the scoreboard, however our players responded with everything they could offer.

We played some terrific football, none better than the game against Ballajura towards the end of the season. If the finals were held on that day and we were involved, we certainly would have raised a few eyebrows. However, the records show that we won less than half of our games. With the main emphasis being to learn, experiment, rotate players and above all, teach the players skills and more skills, I believe we did everything possible in that area. It is now up to the players to practice their skills more often so that they can enjoy their football even more.

Our number at training were incredibly good, with as many as 20 - 24 players showing up at least once per week.

We saw some outstanding performances from the players who feature in the Fairest and Best awards and some equally impressive games from players such as Daniel Allsop, Gus Chetkovich, James Grierson and William Hunter, and an improvement shown by all other players when given a challenge.

A special thanks goes to a brilliant Team Manager and person Bill Grierson, and Kelvin Hall, the Assistant Coach and Team Runner. These guys had to watch my antics and frustration on the boundary line and always offered positive

support and encouragement.

Whilst there were times during the season when I thought my messages weren't getting through, I must say I thoroughly enjoyed the enthusiasm shown on the training track, the "never give up" attitude in games and the respect they gave me throughout the year. I can't wait to see the players progress in the future.

Thanks, you are a great bunch of guys.

**Fairest & Best: DAVID HALL**  
Predictably and deservedly David, the Team's Captain had an outstanding year, playing mainly in the Ruck and Centre of the ground. He shows maturity rarely seen in this age group with his sound knowledge of the game, willingness to learn, enthusiasm to play, and leadership qualities at training and on match days. David takes a strong overhead mark, and kicks the ball long and effectively. David can be a match winner on his day. His work ethic, desire and love for the game will take him to the next step in 2-3 year's time. Well done, and congratulations.

**Runner-up: JEREMIAH GREEN**  
WOW!!! What an excitement-machine this young man is, with terrific skills, a great ability at reading the play, and a lovely smile which lights up the faces of all when we see him. Jeremiah knows which area of his game he can improve on to make him achieve his dreams of one day playing at a higher level like some of his idols. A delight to coach, well done.

**Best Positional Player: MICHAEL GIORGIEFF**  
Michael produced some scintillating displays of attacking football from the

Centre Half-Back position, holding our defence together when our team was under siege. He also filled in at Centre when required, showing no fear in his approach to the ball or the opposition. His enthusiasm for training was pleasing and as one of our group leaders showed willingness to take up a challenge given to him. Michael is a reliable team player who can fill many roles, well done.

**Best Utility Player OWEN BENNETT**  
Owen was so valuable to the team whether as a ruck rover or defensive position with his dashes from defence and into attack. He has sure ball-handling skills and a fierce desire for hard work, opening up opportunities for his teammates to capitalize on his clever play on match days. Owen is action man who's quietly spoken and has many years of exciting football ahead of him. A great kid, and a terrific player.

**Coach's Award / Most Versatile Player ROBERT FARAONE**  
Robert landed on our doorstep with several of his teammates from Mt Lawley and quickly adapted to becoming a very important player in our team structure. He trained with enthusiasm and played remarkably in several roles, including rover/ruck, rover/defensive, loose man/wing, you name it, he tried to do it to the teams advantage, picking up possessions galore. Robert's an exciting prospect, who enjoys his football and involvement in a great team sport. We are so pleased to have you at the Bombers and hope we see you with us in the future.

- Charles Musca

## 15's COACH'S REPORT

2004 was a terrific year for the Bombers under 15s playing in a combined East Perth/Claremont District competition. With the increasing pressures of Year 10 studies, school sports, part-time employment and all those teenage boy things, the commitment required to attend training on a regular basis and present for match days is increased. Consequently the rewards for both players and all involved as coaches and managers as coaches and managers are increased by the persistence and dedication of the playing groups as a whole. The only read downer for the season was significant long-term injuries to both Alex Schaafsma, Josh Mott and Matt O'Hart. To lose three such key players for various lengthy periods had a significant impact on our ability to put a well-balanced team on the ground every week, but also presented opportunities for other players to play in a variety of roles.

The playing group's efforts in being the most successful of the teams from the East Perth District with the exception of Ballajura was outstanding.

Special thanks to Leo Schaafsma who carried out the duties of Coach and Runner with great skill and understanding. It was often the case that Leo was ten yards on to the ground before I realised what message I was supposed to be sending. His contribution to the improvement of a number of players is a significant one. The three Managers: Tony, Ron and Rod, were capably led by Tony, whose unfailing attendance at Thursday training, and general good humour on match days made my job significantly easier. Special thanks also to Deputy Runner and Waterboy Salvatore

*15s cont'd*

**Pullella and our enthusiastic Boundary Umpire, Blake Tilley.**

A big thank-you to all the parents who participated in the rosters and my thanks for trusting me to be involved with your children for the length of the football season. It is a task which is at times difficult, but undoubtedly rewarding and enjoyable.

The awards for this year go to:

**Fairest & Best**

**PERRY MARVELLI**, a player who this year accepted the challenge to lead from the front and by his attendance at training and application in each and every game showed that the potential he had displayed over the past few years is now no longer potential. Perry Marvelli has arrived as a champion football. Perry is a good example of a young man who is now getting rewards by adding hard work and discipline to his undoubted natural ability. Well done, Perry.

**Runner-up**

**SCOTT HORSBURGH**. For the first time in three seasons, Scott had a relatively uninterrupted injury run and his form improved throughout the season as his injury worries were left behind. Scott is a skillful, courageous player, and will continue to receive accolades from his team mates and coaches for his skill and application.

**Best Key Position Player**

Another player who has his first injury-free season for a number of years was **PETER PULLELA**. Peter held down various key positions throughout the year, and invariably beat his direct opponents. His strength and fierce

tackling were an inspiration to his teammates. With increased fitness levels, Peter will dominate games for longer periods.

**Most Courageous**

It is always difficult to single out one player as the most courageous. By **JOSH MOTT**'s efforts at the start of the season in single-handedly rucking in Alex's absence and then returning for the last quarter of the last game from a broken foot to ruck for the entire quarter, Josh demonstrated his courage. His enthusiasm for the contest is a terrific asset to any football team and coach. The team will miss Josh's contribution if he is drafted by the Swans.

**Coach's Award**

The coach's award this year goes to **MICHAEL DI VINCENZO**. Michael is a new player to the Bomber's Under 15s in 2004, having flirted for a year or two with that round ball game. Michael's attendance and enthusiasm at training, his willingness to take on any role assigned, hard work and humour make him an asset to any football team. The round ball's loss is our gain. Thanks, Michael, for a great season.

- Chris Prast

**Matthew Seal**, ex-Bomber, is a confirmed rising star in WA football. Playing for East Perth, Matthew polled 3<sup>rd</sup> in the Jack Clarke Medal for Fairest and best player in the WAFL Colts this year. He was also AHG Player of the year (voted by journalists and the media), and was named in the WAFL Colts Team of the Year on a half forward flank.

## 17s COACH'S REPORT

The 17's competition this year was difficult and frustrating with the uncertainty and number of changes to the fixtures. Despite this hurdle it must be noted that all the players were fantastic in their endeavour and commitment to each other. All the boys that put on the black and red jumper should be proud of the way they maintained the team together to travel all over the countryside for a game of football and to compete against quality opposition.

Few people would have predicted that we would have won one game let alone three against good opposition. These wins were well deserved and a reflection of the players heart and determination throughout the season. Hopefully the players had a good time and enjoyed the friendships that were built playing the team game of football.

A special mention must go to Tony Catania and Jim Raeside for their continued support throughout the year as without their help the players would not have had the opportunity to play at the Bombers this year. Hope all continue to play and support a great game.

### Paul Sisson

Move over Pavlich, Sisson is on the way. Quality player in defence but when on the ball, never beaten. Runs all day taking telling marks and just as good on the ground as in the air. Good team player that reads play well bringing teammates into the game. Exceptional year and continues to improve - truly deserving of recognition.

### Rhys Miller

Quality player that shows no fear and leads by example. Skilled in the air

and a true leader by example with his fearless attack on the ball or person. Never riled and makes contest where angels fear to tread. No nonsense player, just quality throughout.

### Cameron Watkins

Cam the magician, few players can boast the skills that he has. Pure class and is prepared to forsake own game for team. Speed, running hard and strong in air are Cams trademarks and its absolute pleasure to watch class. Never expect the ordinary when the magician is on the park.

### Leigh Catania

Roadrunner speed, so don't blink or you will miss him. True class, that is, strong in the air and is fearless on the attack of the football. Runs hard all day and never gives in. Nothing more impressive than Leigh running with the ball at pace. Class player that is a workhorse on the park.

### James Raeside

Marathon man that just runs and runs covering huge ground. Heart bigger than Phar Lap and always getting job on best opposition on baller. Skilled player improving as season progressed. Unimposing player that always gets the job done - suffering from leather poisoning.

*Thanks go to coach Tony Moore and manager Jim Vellios for handling the 17s so well through a turbulent year. They came over from West Perth/ Coolbinia Amateurs this year to promote the alliance between the 2 clubs. On behalf of the boys and the club, a huge thanks for your efforts this season. Bombers, if you plan to continue on with your football after 17s, it could well be with the Falcons, - they'd love to have you!*

## REGISTRAR'S REPORT

240 players were registered this year, enabling us to field two 9s teams, and a team in every age group up to and including 17s. The Auskick numbers were up this year, with 62 players.

It has certainly been a steep learning curve for me this year, but now I know the ins and outs of the job and the computerised system, I look forward to continuing next year (with an even better system!).

I suggest that the club consider dropping the red stripe from the shorts for next season. I think there would be a lot less headaches about correct attire.

This year, the report includes the number of games played by each player in the club. We anticipate many milestone games next year as many players are not far from reaching their 50s and 100s. Reaching 50 or 100 games is a great achievement and represents a valuable contribution to your club.

Congratulations to all the players who passed milestones this season, especially to Damien HARVEY and James NANCARROW – 150 games each!  
Hope to see you all back next year.
